Day 2: Discovering Ancient Roman Ruins and Amman's Historical Sites

We will take you on a journey through time, beginning with a visit to the ancient ruined city of Jerash. Marvel at the stunning Roman architecture that was once hidden beneath the sand. You will explore some of the city's most impressive ruins, including the theatres, baths, fountains, winding paved streets, and striking hilltop temples.

After Jerash, we'll return to Amman for a city tour. Known as the "white city," Amman boasts a vast collection of white limestone buildings that are simply stunning to behold. Your knowledgeable guide will provide insight into the city's rich history, pointing out excavations and renovations from the Neolithic period, the Hellenistic period, and the late Roman to Arab Islamic Ages.

One of the highlights of the city tour is the Citadel, where you'll discover the ancient temple of Hercules, the 8th century Umayyad Palace, the Byzantine Church, and the 6,000-seat Roman theatre that dates back to the 2nd century. Despite its age, the theatre is still in use today for cultural events, providing an unforgettable experience of Amman's cultural heritage.

Embark on a scenic drive along the King's Highway to Petra today, taking in breathtaking views of Jordan's wadis, olive groves, and rural villages. Admire the famous 6th-century Byzantine mosaic map of the Holy Land, along with other biblical sites.

Our journey continues to Mount Nebo, where you'll marvel at the stunning panoramic views of the Holy Land from its summit. As we make our way towards Petra, we'll cross the impressive Wadi al-Mujib and stop at the 12th-century Kerak Castle, a massive fortress built by the Crusader King Baldwin along the ancient Egypt-Syrian caravan route.

Finally, we'll arrive at Petra and help you check into your hotel for the night. You'll have some free time to explore the city on your own, but we highly recommend taking the Petra by Candlelight tour through the Siq to the Treasury, a magical experience not to be missed.

Day 4: Discovering Petra and camping under the stars in Wadi Rum

Today, we embark on a full-day adventure to discover the wonders of Petra, the renowned Nabatean site. Dating back to the 1st century AD, Petra was once the bustling capital of the Nabatean commercial empire. It was forgotten for centuries until rediscovered by Swiss explorer Johann Ludwig Burckhardt in 1812. Accessible only through a narrow passage called the Siq, Petra is perched on the edge of Wadi Aruba, surrounded by towering canyon walls and hills.

Our guided tour takes us through the winding Siq, rising 200m above and only 2m wide. We'll pass by the terracotta pipes that once brought water into the city and the ancient Nabatean water channel. As we emerge from the Siq, we'll be awestruck by the sight of the Khazneh, also known as the Treasury, one of Petra's most impressive landmarks. We'll also explore the Roman amphitheater, colonnaded streets, and the multi-colored sandstone cliffs leading to the Monastery, Petra's biggest carved monument, standing 50 meters high and 45 meters wide. The views of Wadi Aruba and the Jordan Valley from this point are simply breathtaking.

After an unforgettable day in Petra, we head to Wadi Rum, a stunning desert landscape of towering rocks and cliffs. Here, we'll be welcomed by friendly Bedouin hosts and settle into a comfortable campsite beneath the starry sky. We'll indulge in a delicious traditional Jordanian meal and spend the evening relaxing by the campfire, gazing at the stars, and enjoying the tranquility of this breathtaking desert setting.

OVERNIGHT: Wadi Rum Bedouin camp

Day 5: Jeep Safari in Wadi Rum & Swim in the Dead Sea

Our day begins with an exciting jeep safari through Wadi Rum's magnificent desert landscape. With sharp cliffs and intriguing rock formations, this area's enormous rust-colored rocky 'jebels' were made famous by the film Lawrence of Arabia. We'll traverse the desert terrain and marvel at the stunning vistas that stretch out before us.

After our adventure in Wadi Rum, we'll travel up north to the banks of the Dead Sea. This body of water is the lowest point on earth, at over 400 meters below sea level. The sea receives a variety of incoming rivers, including the Jordan River, and when the rivers merge together, they leave behind a unique blend of salts and minerals that supply local industries with high-quality products.

We'll stop for a swim in the Dead Sea, which is unlike any other swimming experience. Due to its high salt concentration, you'll float effortlessly, making it a truly unique and memorable experience. Remember to avoid getting the water in your eyes, as it can be quite uncomfortable.

After enjoying the unique swimming experience in the Dead Sea, we'll make our way back to Amman, taking in the scenic views of the hills of Jerusalem along the way. This area is believed to have been the home of five biblical cities: Sodom, Gomorrah, Adman, Zebouin, and Zoar (Bela). If you'd like some additional time at the Dead Sea for spa treatments and/or relaxation, we also offer the option of spending your final night in Jordan here instead of returning to Amman.

Hotel Gala Dinners

Many of Egypt and Jordan's hotels arrange a very special gala dinner with entertainment in the evening on Christmas Eve and New Year's Eve. Payment for these is often optional on Christmas Eve (24 Dec) but normally compulsory on New Year's Eve (31 Dec), whether you attend or not. Prices can range from around US\$50 to over US\$180 per person in 5-star hotels. Final decisions on prices and whether dinners are compulsory are made relatively close to the time. We aim to always select hotels that make their Gala Dinners optional, though this is not always possible, especially for New Year's Eve. Gala dinner prices are therefore not included in our prices above, but will be added to your booking if they become required. Please budget accordingly. More information is available on request.

Options

Our tours are designed to include all that you need to enjoy a really special time in the destination you're visiting.

However, we do also offer some extra options to complement the tour and add some additional sightseeing or activities, or some extra time at either end of the tour.

All accommodation based options (e.g. Single supplements, extra nights, cruise upgrades) should be booked and paid for in advance so that we can make the appropriate arrangements.

Other options may either be booked and paid for in advance or while you are on the tour, though we recommend booking in advance to ensure there are no issues with availability.

Many options are priced the same throughout the year, but some may incur single or high season supplements - full details are given on the tour reservation form or on request.

Alexandria day trip

Min numbers: 1

Alexandria is about 2.5 hours drive, north of Cairo on the Mediterranean coast of Egypt. This ex colonial city is the second largest in Egypt and our visit will include the Roman amphitheatre with its twelve semi-circular marble tiers, the Catacombs of Kom al-Shoqafa which is the largest Roman cemetery in Alexandria, Pompey's Pillar, Fort Qaitbey (from outside), the famous modern library before returning to Cairo. If time allows you can tour inside Fort Qaitbey and we may also visit the Montazah Palace gardens. Lunch at a seafood restaurant is included. As the tour takes a full day you will either need a late evening flight departure on the last day of the tour to accommodate it, or to add an extra day to the start or end of your trip. Prices are based on a minimum of 2 travellers choosing the option. Solo traveller supplements apply. Entrance fees to sites visited are not included (budget approx. USD 10)

Price: Starting from - \$120

Abu Simbel overland

Min numbers: 2

The temples built by Ramses II at Abu Simbel are one of Egypt's highlights, and have a fascinating story behind them to go with their impressive size. When Lake Nasser was flooded, the final water level was going to submerge several temples, the most important of which being Abu Simbel. The temple was therefore dismantled completely and rebuilt further up the hillside where it sits today. The temple stands today as a testament to Ramses II and the great building prowess of the ancient Egyptians, as well as to modern engineering. We depart Aswan very early in the morning (around 4am), with the aim of getting to Abu Simbel to see the temples in the light of the rising sun. We then have a guided tour with one of our Egyptologists and some free time before we drive back to Aswan (approx. 3 1/2 hours drive each way, with around 2 hours at the temples). The tour itinerary is designed so you will not miss any other activities if you choose this option. Note - we choose the overland route to get to Abu Simbel as the flight times there are unreliable and the journey using the flight is much more segmented (you get more rest on the coach), not to mention it is much more expensive to fly. Entrance fees to the site (approx. US\$10, 50% for children) are not included in the option price and should be paid locally. A minimum of 2 people is required to operate this option.

Price: Starting from - \$150

Cairo city tour

Min numbers: 1

This half day guided tour of Cairo begins with Islamic areas including the Citadel of Saladdin, boasting the famous Alabaster Mosque of Mohammed Ali. Then we head onto the Coptic area of Cairo where the Romans constructed the fortress of Babylon. The church of St. Mary was built over the ruins of two towers of the fortress whilst it is more commonly known as the Hanging Church next stop is St. Sergius which is said to be the resting

place of the Holy Family. The tour finishes at the Khan-el-Khalili bazaar. The entrance fees budget covers the Coptic Museum, the Citadel and the Sultan Hassan Mosque. Depending on your day, you may not have time to visit all of these. Entrance fees to sites visited are not included (budget approx. USD 10) Prices shown are based on a minimum of 2 people travelling. Solo traveller supplements apply.

Price: Starting from - \$75

Wadi Rayan day trip (Valley of the Whales)

Min numbers: 1

This tour provides a great contrast to the Pharaonic sites you have visited on the rest of your tour. We leave Cairo and head to the Fayoum region where we head for the Wadi Rayan Protected Area, which surrounds a fresh-water lake in the middle of the desert, filled by the remaining irrigation water from the Fayoum area. There are several waterfalls here (popular in Egyptian pop music videos), and a bird hide which gives good views of the lakes birdlife, particularly in the winter months when the lake is an important stop for migrating water-birds. We also visit the Springs Oasis area, a rare example of an uninhabited Saharan oasis, and host to many different plants and animals, including Dorcas Gazelle, Ruppell's Sand Fox and Fennec Fox. Before lunch, we'll make a stop in the sand dunes surrounding Wadi Rayan to have a go at Sandboarding. After a stop for a packed lunch, we then drive into the stunning desert & mountain scenery of Wadi Hitan (Valley of the Whales). This World Heritage Site is accepted as the most significant site in the world to demonstrate the evolution of whales, and we take a 2-3km walk here to see several specimens of fossilised whales of different types sitting on the surface of the sand, as well as fossilised mangroves and the remains of crab holes. This tour requires a full free day in Cairo, but can also be arranged straight after you arrive back in Cairo from Luxor/Aswan from the overnight sleeper train. We can also arrange it on any tour if you add extra days before and after your main tour. Prices shown are based on 2 or more people travelling, with an additional supplement due for solo travellers. Price includes lunch whilst in Wadi Hitan and entrance fees.

Price: Starting from - \$170

Wadi Mujib Day Trip - Siq Trail

Min numbers: 1

Escape the hustle and bustle of Amman for a real adventure, exploring the canyons of Wadi Mujib, following the famous Siq Trail. Leaving Amman, we'll drive around 90 minutes to the shores of the Dead Sea where our journey along the Siq Trail begins from the Wadi Mujib visitors centre. Descending down into the gorge we enter the Wadi Mujib Nature Reserve where between months of April and October it's possible to take an exciting hike through the shallow waters that fill the gorge. Along the way you'll climb up small waterfalls where steps have being installed to make it easier, until eventually you'll reach the end of the gorge where you can relax beneath a large waterfall. The entire hike generally takes 2 to 3 hours roundtrip. We highly recommend bringing along a dry-bag (so your camera or mobile phone don't get wet) and water shoes. It is possible to hire a dry bag at the visitors centre for around US\$7.00 and purchase water shoes for US\$7.00). Note: On most tours it's necessary to add an extra night pre or post-tour to have enough time to take this tour. If you have a late departure on your final day however, it may be possible to visit Wadi Mujib on your departure day.

Price: Starting from - \$145

Final Night at Dead Sea (instead of Amman)

Min numbers: 1

This option allows you to spend your final night in Jordan with a night at a resort on the shores of the Dead Sea. After visiting the Dead Sea during the day you will be transferred to your resort where you will spend the night, you'll have the opportunity to partake in spa treatments, relax by the pool or spend more time floating in the salty waters of the Dead Sea. This option includes the additional cost of a Dead Sea resort vs the included night in Amman, plus airport transfers on your departure day from here to Amman Airport. For those passengers who have booked the tour including standard level accommodation, the upgrade will include the Dead Sea Spa hotel (or similar), for those who have booked superior level the upgrade will include the Hilton Dead Sea Resort (or similar). Note: Single room supplements apply.

Price: Starting from - \$90

Single Room Supplement

Min numbers: 1

The tour price is based on 2 people sharing twin/double rooms. This option books a single room in all the accommodation throughout the tour. If you are a single traveller and would be happy to share a room, let us know and we will see if we can pair you up with another single traveller of the same sex. If a room share is not available when you book then we will add the single room supplement to your booking and it will be payable with your balance payment unless we have arranged a room share for you by then. If a room share is arranged after you have paid the supplement then we will refund it to you. Room shares are arranged in order of booking.

Price: Starting from - \$875

1. Accommodation

We use good quality mid-range hotels on this tour. Accommodation is based on twin or double en-suite rooms with air conditioning. All couples will stay in a private double room.

In Wadi Rum we use a comfortable Bedouin camp located on the desert sands, against the cliffs. Accommodation is in permanent traditional goat hair tents with their own bathroom, proper beds and all bedding provided. You can also bring a sleeping bag if you wish, and find a sheltered spot on the rocks on the edge of the camp and sleep under the stars.

In Egypt we include 5-star hotels and a 5-star Nile Cruise from Luxor to Aswan.

An upgrade is also available on the Jordan section of the tour to local 5-star hotels in Amman and Petra if you would like a more luxurious stay. These can be considered basic international 5-star level in Amman, and decent 4-star level in Petra. Typical hotels used are the Landmark or Le Grand in Amman which are modern style hotels, and the Old Village Resort or Hyatt Zaman in Petra which are more traditional characterful properties.

Please check the Single Room Supplement option for details on room sharing options and charges for solo travellers on this tour.

Gala Dinners:

Many of Egypt and Jordan's hotels and Nile cruise boats arrange a very special Gala Dinner with entertainment in the evening on Christmas Eve and New Year's Eve. Payment for these is often optional on Christmas Eve (24 Dec) but compulsory on New Year's Eve (31 Dec), whether you attend or not. Prices can range from around US\$30 to over US\$150 per person. Final decisions on prices and whether dinners are compulsory are made relatively close to the time. We aim to always select hotels that make their Gala Dinners optional, though this is not always possible. Gala Dinner prices are therefore not included in our prices, and will be added to your booking if required. More information is available on request.

2. Group Size/Tour Leaders/Guides

As one of our Small-Group tours, maximum group sizes are restricted to 18 people, while the tour is guaranteed to depart with a minimum of just 2.

In Jordan, a professional licensed guide accompanies all groups of 5 or more throughout the whole tour. For groups of 2-4, one of our experienced English speaking drivers will escort the group with specialist local site guides used for the tours in As-Salt, Bethany, Jerash, Amman (Citadel), and Petra.

In Egypt we provide fully trained, local English-speaking Egyptologists to act as your tour guides for all of the sightseeing tours in Cairo and the Nile Valley.

Our local reps in towns and cities en-route are also at your service, and together with your guide will be handling all the practical arrangements for the tour. We also use local Bedouin guides for tours through the desert.

At Encounters Travel we aim to only use local Jordanian and Egyptian guides and reps. We feel this gives you the best experience of the country and the sites you are seeing as well as supporting the local population and economy.

3. Transport

Our trips feature a mix of different transport options and uses an air-conditioned minivan/minibus or coach subject to the size of the group for all the transfers, sightseeing, and journeys between cities. The jeeps used in Wadi Rum are provided by the local Bedouins we work with, and while suitable for your desert safari, they may fall below the normal safety and quality standards for vehicles we use during the rest of our tours.

Travel between Cairo and Aswan/Luxor is done by domestic flight (eg. Egypt Air, Air Cairo, Nile Air). As we may get some late bookers, occasionally not everyone in the group will be on exactly the same flights. However, all airport

transfers remain included. On occasion to avoid particularly unfriendly flight times we may fly from Cairo to Luxor in the evening, rather than the next morning, and exchange a hotel night in Cairo for one in Luxor, before boarding the cruise.

Amman-Cairo flight

The connecting flight from Amman to Cairo is not included in the price of this tour. It is left out of the set tour price as it is sometimes more cost effective for you to include this flight as part of your main international flight ticket. We are happy to assist with all your flights, just the Amman-Cairo flight, or none of them at all, whichever works best for you. Direct flights are available with both Egypt Air and Royal Jordanian Airlines. You can fly at anytime during the day - all transfers in Amman and Cairo are included.

4. Dates & Prices

We run regular departures on this tour throughout the year, starting on Mondays. All departures are guaranteed to run with a minimum of two travellers. Departure dates & prices are on our website (please check the website for up-to-date prices & special offers).

5. Money - Jordan

The local currency in Jordan is the Jordanian Dinar (JD). You do not need to arrange to bring any Jordanian Dinar with you to Jordan as exchange facilities are available in the international airports and in most hotels, banks and bureau de changes in major towns. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

While in Jordan you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs and personal expenses such as laundry. These should generally all be paid for in Jordanian Dinar, though tips for guides and drivers may be paid in hard currency (GBP, USD, EUR).

It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 15-25 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

6. What to take

Luggage: Suitcases, rucksacks or fabric holdalls are all fine to bring with you to Egypt and Jordan. You should also bring a small daypack/bag to take out during the day. Your main luggage will normally be left in the hotel during your sightseeing trips - you will not need to carry it far, and there are nearly always hotel porters to assist.

Luggage limits: There is no luggage limit for this tour. However, most airlines restrict you to between 20kg and 25kg for your hold luggage and between 5kg and 10kg for hand luggage. Please check with your airline before travelling to the airport.

Clothing: Most of your time in Egypt will be in a hot weather, while the climate in Jordan varies widely from hot days in the summer to cool and sometimes wet days in the winter months. However, at night, and especially in the deserts, the temperatures can drop quite dramatically. So you must pack for cool conditions. Formal dress (eg. suits & ties) is not required on the cruise boats or in 4 or 5-star hotel restaurants. Long sleeves are recommended to protect from mosquitoes if you are on the felucca. Modesty rates highly in Egypt and Jordan, especially for women, so to respect the local culture & people, please ensure all clothes are loose fitting and not revealing. Shorts (not hot-pants) are OK in tourist sites, as are T-shirts, but these should not show too much bare flesh (we suggest that your

shoulders should remain covered). In the centre of Cairo and Amman, and when visiting any mosques, legs and arms should be covered.

Other items: We recommend that you bring a sun hat, sunscreen, sunglasses, a basic first aid kit, toiletries, small towel, money belt, small torch, camera & charger. If you will be travelling on a felucca sailboat in Egypt then we recommend bringing a light sleeping sheet or sleeping bag liner all year round for comfort, and a light sleeping bag in the winter months (November to February). If your tour includes an overnight Bedouin camp in Jordan then bedding (sheets, blankets, pillow) is provided but we recommend bringing a light sleeping sheet or sleeping bag liner for comfort all year round (even with the best efforts, sand does find its way pretty much everywhere). In the winter months, or if you think you would like to sleep under the stars instead of in your tent, then we recommend you bring a sleeping bag with you as it can get very cold at night.

Footwear: For tours that are going on board a felucca sailboat, or walking on the Siq Trail in Wadi Mujib, we recommend that you bring some footwear that you don't mind getting completely wet. As there is a fair amount of walking involved on many of our tours in Jordan and Egypt, whether that be just sightseeing or some hiking, we recommend you bring comfortable walking shoes with you. You do not need any smart dress shoes, unless you want to visit some fancy restaurants and to dress up accordingly.

7. Transfers

Our Egypt and Jordan tours include a 24-hour airport meet & assist service in Amman and Cairo airports, your arrival and departure airport-hotel transfers and all other transfers.

On arrival in Jordan our representative will meet you in the immigration hall of Amman airport, before passport control. They will assist with visa formalities and then help you with your luggage and take you to your hotel.

On arrival in Egypt, our representative will meet you in the immigration hall of Cairo airport before you get to passport control. They will assist with visa formalities before helping you collect your luggage and taking you to your hotel.

Your airport transfers are only included on the first and last day of the set tour itinerary, plus on any additional days if you book your hotel room with us. If you make your own arrangements for additional accommodation at either the beginning or the end of the tour then you will need to arrange your own airport transfers on these days.

On our Shoestring group tours we do offer optional hotel upgrades in Jordan. This may mean that additional pick-up and drop-offs are required each day. We do endeavour to ensure that all hotels used are close to each other and to streamline and time arrangements to limit any extra driving time as much as possible.

8. International Flights

We want to give you as much flexibility as possible when it comes to booking your holiday with us. So, to take account of people with varying travel plans, we don't include your international flights in the main tour price. We are however very happy to suggest flights to go with the tour. Please contact us with your preferred dates and departure airport and we'll give you a selection of airlines, times and fares to choose from.

Your airport arrival & departure transfers are included on the first and last days of the tour.

On tours combining Jordan and Egypt we do not include the connecting flight between the two countries in the tour price (normally between Amman (AMM) and Cairo (CAI) - see the inclusions/exclusions or extension option sections for details). This flight can often be built into your main international flight ticket, or we may be able to book this flight for you separately if you prefer - please contact us and we will advise you on available airlines, times and prices.

We do also sometimes advertise flight inclusive packages from selected airports. Where these are shown on our website, prices are correct at the time of quoting, but are subject to continued availability of the fare used. Prices will

be reconfirmed at the time of booking, and we will also provide the flight times and airline details before tickets are issued.

Flight inclusive prices are based on the cheapest Economy ticket class available which is generally non-refundable and non-changeable unless the flight is cancelled for reasons such as Covid-19, in which case the airlines are more flexible. More flexible ticket options, as well as Premium Economy and Business Class tickets are available on request for an additional supplement. Any changes made to flight inclusive bookings will be subject to the airline rules on your ticket.

Flight CO2 Emissions:

Traveling by air is an amazing way to explore the world, but flights also contribute to carbon dioxide (CO2) emissions that impact the environment. By considering the airline's CO2 emissions when you choose your flight, you can help minimize your travel footprint.

When selecting your international flights and airline, we do therefore recommend that you try and also take into account the flight CO2 emissions. Some airlines and flight search websites (eg. Google Flights, Skyscanner) do publish this information, so you can compare between your flight options and make an informed decision. Thankfully, many airlines are working towards sustainability efforts, and choosing a greener option allows you to contribute to positive change while still enjoying your incredible adventure.

9. Tipping

Jordan: Tipping is common practice in Jordan, as a sign of appreciation for services provided. You may therefore wish to tip your guide and driver at the end of the tour. You should not feel obliged to tip any particular amount, and should consider your personal budget. We are often asked to provide a guide however, and can suggest that approx. US\$10-15 per person per day would be appropriate.

Egypt: Tipping is also very much a part of Egyptian culture and customs, and many people you meet along the way will expect and make it clear they are waiting for a tip. To make it easier for you to budget and to remove much of the stress and hassle of tipping lots of people as you go along, we collect a 'Tipping Kitty' at the start of your time in Egypt. The kitty provides tips for a wide range of people you'll meet along the tour including hotel porters, train and station staff, drivers, site guards, local reps etc. Your guide will pay some of these tips as you go along on behalf of the group, and others are paid by our local reps in each location before or after your visit (eg. hotel housekeeping staff). Please check the Excluded section below the tour itinerary for a budget for this tour. Your Egyptologist guide is not included in this kitty and you may tip them at the end of your tour subject to your satisfaction with and appreciation of the service they have provided. Again you should not feel obliged to tip any particular amount, and should consider your personal budget. As a guideline, approx. US\$10-15 per person per day would be appropriate. Children under the age of 12 do not need to pay this tipping kitty.

10. Money - Egypt

The local currency in Egypt is the Egyptian Pound, often denoted 'LE'. The Egyptian Pound can vary significantly in value against the British Pound, but sticks fairly close to the value of the US Dollar. You do not need to arrange to bring any Egyptian Pounds with you to Egypt, as change facilities are available in all the hotels, airports and banks. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

While in Egypt you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs and personal expenses such as laundry. These should generally all be paid for in Egyptian Pounds. You may also need to pay for the tour Tipping Kitty and site Entrance Fees while you are in Egypt. Payments for these may be made to your tour guide in hard currency (USD, GBP, EUR) at the start of your tour. Please see your tour

Included/Excluded details for more information and guideline amounts for these.

It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 15-25 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

11. Passports and Visas - Egypt

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

We recommend that you contact your closest Egyptian consulate or embassy for current information for your nationality.

In general official advice is that all nationalities obtain their Egypt visas in advance, as we cannot guarantee that you can get them in the airport. An online e-visa is available through [visa2egypt](https://visa2egypt.com). Please do not use any other website as there are many scam sites offering Egypt e-visas.

In practice however, many nationalities (including British and European, Australian, New Zealand, USA) can and do obtain their visas on arrival in Cairo airport. The process is much quicker and simpler, the cost is currently **US\$25 p/p** and must be paid in hard currency (i.e. GBP, USD or EUR) - you'll be given change in local currency if necessary. There are no forms to fill in and you don't need to bring passport photos. Visas are issued at one of the bank desks in the immigration hall, before you get to passport control. Our representative will have met you by this stage and will assist with the process.

Important Note: Due to recent changes in the visa regime for Canadians, a visa on arrival or e-visa will no longer be possible for Canadian Citizens entering Egypt after October 1st 2023. Until further notice Canadian passport holders must obtain a visa prior to arrival, from the nearest Egyptian Consulate.

All African & Indian nationals, and some others, will need to obtain their visas in advance.

For further information on your visa requirements, please either contact us or your local Egyptian embassy/consulate.

12. Voltage

Sockets are two round pronged and 220 volts (Type C). Universal adaptors are available in most airport shops if you don't have one already. Standard European adapters will work fine, though sometimes they may feel a little loose in the sockets. All hotel rooms have electrical sockets where you can re-charge cameras, phones etc. Hair dryers are normally available on request from the hotel reception if not in your room already.

If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.

13. Time

The time in Egypt, Jordan, Israel and Lebanon is GMT plus 2 hours and in UAE GMT plus 3 hours. Daylight saving adjustments have historically been applied in some years but not others. At present it appears that there will be no daylight saving changes in Egypt 2016 and beyond, though this may change at short notice (with a resulting impact on flight times and schedules). In Jordan and Israel, daylight saving of one hour is generally applied between the end of March and the end of October, making it GMT plus 3 hours. Exact dates vary from year to year and sometimes the changes may be scrapped altogether.

14. Passports and Visas - Jordan

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

To promote tourism to the country, the Jordanian government has designed the **Jordan Pass**. This provides adults of most nationalities with a free single entry Jordan visa (for stays of 3 nights or more), a discounted package of entrance fees, and free digital brochures for the various sites in Jordan. Please check the Jordan Pass tour note for more information.

Double or multi entry visas for Jordan are no longer available and you will need to arrange two visas if you are doing a combination tour (eg. with Egypt and/or Israel) that visits Jordan more than once. Exceptions may occur if you are crossing to and from Israel via the King Hussein Bridge - please contact us for details.

If you wish to arrange your visa separately in advance, or if your stay will be shorter than four days/3 nights, then a visa fee of 40JD (approx. USD 57) will be due.

Families with children under 12 are recommended not to purchase the Jordan Pass for the children as entrance fees are not charged in Jordan for children under 12. Instead, the adults should purchase a Jordan Pass and we will arrange a free visa for the children which you will receive when we meet you on arrival into Amman airport.

Other nationalities may require a visa prior to arrival and to obtain this in advance, please contact your local Jordanian embassy or consulate or a visa agency for details. In addition, if you plan to enter Jordan via the southern Wadi Araba crossing (Eilat-Aqaba) or the Allenby Bridge/King Hussein border with Israel in the north, you will need to obtain your Jordan visa in advance as these are not available on arrival at the border.

15. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You may make a deposit or full payment online, or just hold a reservation if you prefer (full payments are due 8 weeks before departure). We will then contact you with more details about how to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer, or posting us a cheque/bank draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

16. Financial Security

We are a UK registered company and are committed to providing our customers with financial protection to provide peace of mind and to allow you to book with confidence.

We have therefore partnered with Trust My Travel Ltd., which provides financial protection services to over 2000 partners around the world. Funds paid to us by our customers are protected via an Insurance policy held by Trust My Travel. Each traveller and the description of services sold is declared against Trust My Travel's insurance policy directly against our financial failure. In the event of our insolvency, you will be refunded for any unfulfilled products and/or repatriation to the UK (where applicable). Please see [our website](#) or [booking conditions](#) for more information.

17. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect

you have on the locations you visit is positive rather than negative.

- Don't prejudge: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.
- Communicate: Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- Conserve energy: Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights, air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.
- Don't litter: No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).
- Choose environmentally friendly products: By using environmentally friendly (bio degradable) sun creams, shampoos and detergents you can help reduce pollution.
- Respect local customs and traditions: As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).
- If a client commits an illegal act the client may be excluded from the tour and Encounters Travel shall cease to have responsibility to/for them. No refund will be given for any unused services.

All porters are employed and equipped following guidelines set by the International Porter Protection Group (IPPG).

18. Follow Us Online

You can stay in touch with us online by following us on Facebook and Twitter. We post updates on relevant travel news in our destination countries, special offers and discounts and other interesting travel related news and information.

19. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event). [More information...](#)

You may arrange your own insurance, or you can take advantage of a comprehensive policy that we can arrange for you through Endsleigh Insurance which has been designed to be suitable for our tours. The policy is available to travellers of all nationalities and you do not need to live in the UK to take out the policy. For full details of cover provided, prices and to apply for one of our policies, please complete [travel insurance application form](#).

Note: Any country that borders the Mediterranean is considered as 'Europe' for the purposes of travel insurance (including Turkey, Israel, Egypt and Morocco). If you are doing a tour that visits one country in 'Europe' and one that is 'Worldwide' (for example, an Egypt and Jordan tour), then you need a 'Worldwide' policy. When completing the form you should enter your travel dates including any extra days involved in overnight flights or connecting travel between your home and the tour. Our policies are not able to cover any extra time or activities other than your tour and options booked with us and your travel to & from home.

Note - to comply with insurance sales regulations, our travel insurance policies are only available to customers booking directly with us. If you have booked through a travel agent you will need to arrange your own insurance.

If your tour includes car hire, or if you plan to arrange a hot air balloon flight locally or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

If you are taking expensive camera gear or other electronic equipment with you then please check the coverage and the fine print of your policy to ensure that you have sufficient cover.

IMPORTANT: We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.

Covid-19

Before purchasing any travel insurance, please check the coverage provided for situations related to Covid-19, and for the rules about government travel advice. Your normal policy may not be suitable. Details about our own policies cover levels are given [on our website](#).

20. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's ['Travel Aware' campaign](#) which provides further useful and invaluable information.

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions.

In addition, additional courses or boosters normally recommended for the countries in this region are:

Egypt: Tetanus, Typhoid, Hepatitis A

Jordan: Tetanus, Hepatitis A

Israel: Hepatitis A, Poliomyelitis

Lebanon: Diphtheria, Hepatitis A

Malaria is not generally present unless it has been contracted abroad; you do not need to take malaria prophylactics.

More information is available here: [Egypt](#), [Jordan](#), [Israel](#), [Lebanon](#)

Note: We are aware of some places in Egypt using 'black henna' instead of pure brown henna. Black henna contains a chemical dye PPD (paraphenylenediamine) which can result in severe allergic reactions and resultant scarring. To be safe we recommend avoiding any henna tattoos while in Egypt unless you are certain they are using pure brown henna.

22. Entrance Fees & Jordan Pass

The tour price does not include entrance fees to the sites visited on the tour.

Jordan:

We strongly recommend that you purchase a **Jordan Pass** prior to your travel to Jordan. This is a special package that has been designed by the Jordanian Ministry of Tourism and Antiquities for tourists visiting Jordan. As well as including a discounted package of entrance fees covering all the sites in Jordan that you will visit on this tour (plus many others), the Jordan Pass also provides free downloadable digital brochures on each attraction, plus a free tourist visa for entering the country (40JD if obtained on arrival in Jordan). It also allows us to speed up our entry to each site as if everyone has the Jordan Pass we won't need to queue for tickets.

A handful of sites that we visit on our tours are not covered by the Jordan Pass (eg. Mt. Nebo, St. George's Church at Madaba, and the Shawmuri & Azraq Reserves), so to keep things simple for you while you are in Jordan, where these are visited in our itineraries, the entry fees are included in your tour price. If you visit any other sites not covered by the Jordan Pass during your free time or on additional tours you arrange while in Jordan, you will need to pay the entrance fee at the site.

The cost for the **Jordan Wanderer Pass** which is suitable for all our tours which visit Petra on one day is JD70 (approx. US\$99). You should also check if your tour visits the Baptism Site at Bethany and if it does, add on the supplement for this site (an extra JD8, discounted from the JD12 payable at the site). Passes are available by completing a simple online form before you travel, taking care to make sure your passport details are entered correctly as this doubles as your visa application. Your Jordan Pass will then be emailed to you as a pdf document, which you should print out and bring with you. You will then need to show this print out at the immigration desk on arrival in Jordan to obtain your free entry visa, and also at each attraction where it will be scanned to confirm your entry. [Obtain your Jordan Pass here](#)

If you do not obtain the Jordan Pass before arriving in Jordan, you will need to pay the entry fees when you arrive at each site and also pay JD40 for your Jordan visa when you enter the country (or arrange your visa in advance).

[More information about the Jordan Pass.](#)

Egypt:

In Egypt, the tour price does not include entrance fees to the tourist sites mentioned in the itinerary. Please check the Exclusions section for a guide to the amount you should allow for this tour (a 50% discount for minors or ISIC

card holders is often, but not always available and prices are changed from time to time). For your convenience, your guide will be normally collect payment for all the entrance fees in cash at the start of the tour, and pay them for you as you go along.

23. Reduce Plastic Waste with Water-to-Go Filter bottles

Traveling responsibly means minimizing plastic waste, but staying hydrated on the go is essential. At Encounters Travel we are committed to reducing single-use plastics, which is why we've partnered with Water-to-Go. Their portable filtration system removes over 99.9% of contaminants from any non-saltwater source, turning even questionable water sources into safe drinking water.

Given that tap water is un-safe to drink in many of the countries in which we operate, we recommend purchasing a Water-to-Go bottle prior to departure. This will help you avoid the use of single use plastic bottles and keep you hydrated on the go.

Save big! Get a huge 25% off your Water-to-Go bottle and other Water-to-Go products (such as filters, lids, and carriers). Use code **ENCOUNTERS25** at checkout (valid in the UK, USA and Canada).

How Water-to-Go Technology works:

- Their reusable, BPA free water bottles contain their own unique 3-in-1 filtration technology effectively providing clean safe drinking water from any non-salt water source around the world.
- Three different (1 traditional and 2 nano) technologies are combined in one filter cartridge to remove up to 99.9999% of microbiological contaminants in water.

The three technologies used in a Water-to-Go filter are:

- Mechanical filtration – A tiny pore size, so small contaminants can't fit through.
- Electrical – A positive charge reduces the pore size even further and attracts contaminants like a magnet, trapping them inside the filter.
- Activated Carbon – Unlike most carbon based filters, instead of using adhesives to glue the carbon particles together, (which vastly reduces the carbon's efficiency) it is contained within the membrane, helping to reduce contaminants whilst eliminating bad tastes and odours. Try filtering water from your tap at home and taste the difference!

Water-to-Go filter bottles deliver safe, healthy water worldwide

- Water-to-Go filters remove bacteria, viruses, waterborne disease, protozoa, heavy metals such as lead as well as harmful chemicals.
- Their filters remove Chlorine and Fluoride from tap water.
- The filter will eliminate harmful contaminants from the water but allow beneficial minerals such as sodium and magnesium to pass through leaving you with the healthiest water possible.
- Water-to-Go filters have been independently tested against internationally recognised standards by industry specialists including The London School of Hygiene & Tropical Medicine (UK), BCS Laboratories (USA), Bangalore Test House (India) and IMI (China).

Use Water-to-Go products and you'll be healthier, wealthier and helping to make the world a better place!

- Depending on filter size, each Water-to-Go filter is able to replace 260 or 400 single-use plastic water bottles!
- They ensure you have access to safe water anywhere in the world without ever having to buy environmentally damaging bottled water.
- Their water bottles deliver safe, clean drinking water at just 5p per litre.
- The filter membrane is biodegradable and the shrouds are recyclable.
- The water bottles are used and approved by everyone from backpackers to commuters, gym users to expecting mums. Perfect for everyday, outdoor and travel.
