Day 2: Casablanca, Rabat, Volubilis & Meknes

We start our tour early today with a visit (from the outside) to the impressive Hassan II Mosque in Casablanca. The mosque, 7th largest in the world and with the highest minaret has an amazing location right on the edge of the sea. We then head to Morocco's nearby capital, Rabat. Also strategically located on the Atlantic coastline, Rabat began as a settlement in the third century BC and we'll enjoy a tour of the old city including visits to the Royal Palace, Ouadaya Garden & Kasbah and the Hassan Tower Mosque. Next is the ancient Roman city of Volubilis. Recently listed as a UNESCO world heritage site and dating back as far as AD40, Volubilis is home to some of the most impressive Roman ruins in North Africa. Finally we visit the Berber town of Meknes. Formerly the capital of Morocco during the reign of Moulay Ismail, he transformed the town, constructing intricate gateways, beautiful gardens and at 40m the largest ramparts in the country. Our days ends with the short drive to Fez where we spend the night.

OVERNIGHT: Fez hotel

Day 3: Fez, city tour

Over 1,200 years old, the city of Fez is a labyrinth of souks, mosques and spice filled streets. We delve into the fascinating history of the city with a full tour encompassing the Moulay Idriss mausoleum, Nejjarine fountain and the Bou Anania Medersa. We also spend time confusing our senses in the cacophony of noise surrounding the heady alleyways of Medieval Medina, home to tanneries, carpet shops and local restaurants before heading to Fez Jdid to explore the cities many varied souks.

Day 4: Across the mountains to the Sahara

We start to discover some of Morocco's beautiful mountainous landscape today as we leave Fez and follow ancient caravan routes up into the hills. Along the way we'll stop at Ifran, known as the "Switzerland of Morocco" and a huge contrast to some of the other more Arabic feeling cities you'll see in Morocco. The French built Ifran in the 1930s, with the intention of recreating an alpine style resort, and you'll see beautiful parks with lakes, flower beds, and red roofed houses throughout what was named the second cleanest city in the world in 2013. Next we head on through the hills and through the scenic Ziz Valley this morning as we descend to Erfoud on the edge of the Sahara Desert. We'll then drive in 4WD vehicles through the desert to Merzouga and the famous Erg Chebbi sand dunes. Here we transfer to camels and take a sunset camel ride through the sand dunes to a traditional Berber camp nestled right on the edge of the dunes. You can enjoy some spectacular views over the sand dunes as the sun sinks below the

horizon before enjoying a hearty Bedouin meal and a campfire this evening, often with local musicians helping enhance the atmosphere. You spend the night sleeping in comfortable Berber camel-hair tents.

OVERNIGHT: Berber desert camp

MEALS: Breakfast, Dinner

Day 5: Drive to Dades via Tinghir and the Todra Gorge

We leave the desert reluctantly this morning and finish our safari before driving to the oasis town of Tinghir which boasts one of the largest palm groves in the country. A beautiful walk follows through the valley and the Todra Gorge, a 300m wall, carved deep into the High Atlas Mountains, making a narrow canyon beneath huge rock walls that change in colour as the light moves during the day. We'll also drive through the Dades Canyon with its steep winding access road with numerous switchbacks providing great views of the steep cliffs and the river below which rushes dramatically through the gorge, especially in the spring when the mountain snows are melting.

OVERNIGHT: Deluxe guesthouse or small hotel

MEALS: Breakfast, Dinner

EXTRAS: None

Day 6: Dades to Skoura and the Valley of the Roses

The route through Dades Valley is also known as the Road of One Thousand Kasbahs. You'll catch a spectacular view of a vast valley dotted with small oases and hundreds of ancient fortifications. The sand-colored walls of the kasbahs may all start to look the same but each holds a special historical treasure within and offer innumerable opportunities for remarkable photos. We will meet Berber Nomads in their caves and the fertile Rose valley, perhaps stopping briefly at Kalaat M'gouna, 'the rose city', to purchase rosewater before arriving in Skoura. A quiet little village speckled with palm tree groves, Skoura is surrounded by acres of palm groves (les palmariaie), which are a paradise of palm and olive trees dotted with kasbahs and small villages. This is where we find Kasbah Amridil: a kasbah that stands out from the rest. Originally built in the 17th century, it is one of Morocco's most iconic living museums that has withstood the test of time, making it the ideal setting for an insight into the ancient traditions of kasbah life. If you wish, and time allows, you can also take a short hike to a spot overlooking the valley and the old salt mines. Finally we'll explore the Skoura Oasis and stroll for an hour in the gardens of the north side of the town past almond and olive trees. Dinner and overnight at a beautiful guesthouse.

OVERNIGHT: Skoura deluxe guesthouse

MEALS: Breakfast, Dinner

Day 7: Ouarzazate, Ait Benhaddou and the Atlas Mountains

We start this morning with the short drive to Ouarzazate where, for centuries, people from the Atlas, Draa and Dades Valleys have converged to do business at Ouarzazate's sprawling Taourirt Kasbah. A massive citadel, it sits against the backdrop of the Atlas Mountains and contains almost 300 rooms within its walls. We follow the maze of corridors to a prayer room on the top floor, which provides stunning views over Lake El Mansour Edhabbi, or we can explore the village within the kasbah for great deals on local crafts. We'll also visit Taourirt and Ti-foulout Kasbahs, which are among the most beautiful Kasbahs in Morocco.

After the French protectorate left in the 1950s, the movie business flourished in Ouarzazate. We will visit the Atlas film studios where many famous movies have been filmed, including Lawrence of Arabi, The Living Daylights, The Last Temptation of Christ, The Man who would be King, The Mummy, Gladiator, Asterix & Obelisk, Kingdom of Heaven, Kundun, Legionnaire, Hanna, and Salmon Fishing in the Yemen, as well as part of the TV series Game of Thrones.

Today's main highlight though is a tour of Morocco's most well known Kasbah at the UNESCO world heritage site of Ait Benhaddou. This is a huge fortified city (ksar - a group of earthen buildings surrounded by high walls), with houses and kasbahs crowding together inside the defensive walls, an excellent example of traditional Moroccan earthen clay architecture. You can spend several hours in its maze of winding streets until reaching a fortified granary at the top which provides an amazing view of the valley.

Finally we head up into and across the Atlas Mountains for a beautifully scenic drive to Marrakech, en-route crossing the Tizi N'tichka col which at 2260m is the highest pass in Northern Africa.

OVERNIGHT: Marrakech hotel

Day 8: Marrakech city tour

Today, we begin unearthing the secrets of Marrakech, starting in the medina, the old walled section of town and a UNESCO World Heritage Site. We'll marvel at the city's architectural jewels, including the soaring Koutoubia minaret and Dar Si Said; housed in a palace, it is among the most beautiful of its kind in the world. We'll then continue to the Bahia Palace, an exemplary specimen of privileged life in the 19th century. Then we visit Djemaa el-Fna, Marrakech's main square, which is filled with orange juice stalls and vendors, and is well worth returning to in the evenings when it is packed with street food stalls, fire-eaters, mime artists, snake charmers and street musicians performing at every turn.

The afternoon is then free to explore the Medina's fabled, labyrinthine souks and do some souvenir shopping. In the middle of the old market (Rahba Lakdima) you'll find queues of stalls filled with jars upon jars of spices, petals, bark and leaves inside. You'll see cumin, saffron, harissa and paprika, but what many people come for is what can only be found in Morocco – the spice blend called Ras el Hanout, which translates as “head of the shop.” This blend usually includes paprika, cardamom, clove, cinnamon, coriander, nutmeg, peppercorn and turmeric and more, with recipes often a guarded secret. You can return to the hotel for dinner or a rest, but it's well worth returning back to the main square in the evening.

Notes

Hotel Gala Dinners

Many of Morocco's hotels arrange a very special gala dinner with entertainment in the evening on Christmas Eve and New Year's Eve. Payment for these is often optional on Christmas Eve (24 Dec) but may be compulsory on New Year's Eve (31 Dec), whether you attend or not. Prices can range from around US\$50 to over US\$150 per person. Final decisions on prices and whether dinners are compulsory are made relatively close to the time. We aim to always select hotels that make their Gala Dinners optional, though this is not always possible. Gala dinner prices are therefore not included in our prices above, but will be added to your booking if they become required. More information is available on request.

Options

Our tours are designed to include all that you need to enjoy a really special time in the destination you're visiting.

However, we do also offer some extra options to complement the tour and add some additional sightseeing or activities, or some extra time at either end of the tour.

All accommodation based options (e.g. Single supplements, extra nights, cruise upgrades) should be booked and paid for in advance so that we can make the appropriate arrangements.

Other options may either be booked and paid for in advance or while you are on the tour, though we recommend booking in advance to ensure there are no issues with availability.

Many options are priced the same throughout the year, but some may incur single or high season supplements - full details are given on the tour reservation form or on request.

Marrakech hot air balloon flight

Min numbers: 1

The hot air balloon tour lasts about 4 hours, with the flight itself lasting about 1 hour. You start very early in the morning (around 05.30-06.30) with a pick up from your hotel and a drive in a comfortable 4WD vehicle to the take-off site just outside the city. Once the balloon is prepared and ready, you take off and float across the beautiful Moroccan scenery. Depending on the weather and the day's selected take off and landing sites, you'll see different Berber villages, the outskirts of the city, small oases, and terraced irrigated fields as well as the distant High Atlas mountains. A chase vehicle follows you on the ground, in constant contact by radio with the balloon. After landing you rejoin the vehicle and drive back to Marrakesh, stopping for tea and a snack at some of the Berber villages you've passed over. You get back to your hotel in Marrakesh around midday. Note - this flight is subject to weather conditions - a refund will be provided if it is not able to go ahead.

Price: Starting from - \$205

1. Accommodation

We use good quality hotels rated at the Moroccan 3 and 4-star level on this tour (except the desert berber camp where we stay for 1 night amidst the sand dunes). Local star ratings may vary slightly from international standards. Accommodation is based on double or twin en-suite rooms with air conditioning. All couples will be given a private double room.

At the Berber desert camp out in the sand dunes, comfortable permanent Berber tents with mattresses and traditional local blankets are provided. You do not need to bring a sleeping bag, but we do recommend bringing a sleeping sheet or sleeping bag liner for extra comfort. Shared toilet facilities are available.

Please check the Single Room Supplement option for details on room sharing options and charges for solo travellers on this tour.

2. Transport

Our trips feature a mix of different transport options. We want you to feel like you're really experiencing the country you're travelling through, but at the same time we want you to finish journeys refreshed enough to enjoy the next stage of the tour. The terrain and public transport options in Morocco mean that we use air conditioned private vehicles throughout this tour. These include cars, minibuses or coaches subject to the size of the group. We switch to 4x4 vehicles for your desert safari.

3. Transfers

Many of our Morocco tours include a 24-hour airport meet & assist service in Casablanca/Marrakech airports (depending on the exact itinerary), your arrival and departure airport-hotel transfers and all other transfers. Some tours however many not include airport transfers, please check the tour inclusions/exclusions for information on which transfers are included on your specific trip.

Where transfers are included, these are only included in our tour prices on the first and last day of the set tour itinerary. We will be happy to arrange transfers on any additional days if you book your hotel room with us. If you make your own arrangements for additional accommodation at either the beginning or the end of the tour then you will need to arrange your own airport transfers on these days.

On our Shoestring group tours we do offer optional hotel upgrades. This may mean that additional pick-up and drop-offs are required each day. We do endeavour to ensure that all hotels used are close to each other and to streamline and time arrangements to limit any extra driving time as much as possible.

4. International Flights

We want to give you as much flexibility as possible when it comes to booking your holiday with us. So, to take account of people with varying travel plans, we don't include your international flights in the main tour price. We are however very happy to suggest flights to go with the tour. Please contact us with your preferred dates and departure airport and we'll give you a selection of airlines, times and fares to choose from.

Your airport arrival & departure transfers are included on the first and last days of the tour. Airport transfers on any days before or after the main tour will incur a supplement. Our Morocco tours either start/finish in Marrakech (RAK) or Casablanca (CMN) airports.

Some packages on our website are sold as flight inclusive and in this event you will see the departure airport listed on the Dates & Prices section. Airlines may vary on these packages, and baggage fees may be subject to an extra fee. Where these are shown on our website, prices are correct at the time of quoting, but are subject to continued

availability of the fare used. Prices will be reconfirmed at the time of booking, and we will also provide the flight times and airline details before tickets are issued.

Flight inclusive prices are based on the cheapest Economy ticket class available which is generally non-refundable and non-changeable unless the flight is cancelled for reasons such as Covid-19, in which case the airlines are more flexible. More flexible ticket options, as well as Premium Economy and Business Class tickets are available on request for an additional supplement. Any changes made to flight inclusive bookings will be subject to the airline rules on your ticket.

Check in times for international flights to Morocco are generally 2 or 3 hours before departure depending on the airline - we recommend you aim to get to the airport 3 hours before departure to allow for any delays en-route and in passing through security checks. Online check in is available with most airlines from 24 hours before departure, though low-cost airlines may allow this straight after booking. Seat selection can be done at the point of checking in, either online or at the airport, or by calling the airline direct.

We do also sometimes advertise flight inclusive packages from selected airports.

Flight CO2 Emissions:

Traveling by air is an amazing way to explore the world, but flights also contribute to carbon dioxide (CO2) emissions that impact the environment. By considering the airline's CO2 emissions when you choose your flight, you can help minimize your travel footprint.

When selecting your international flights and airline, we do therefore recommend that you try and also take into account the flight CO2 emissions. Some airlines and flight search websites (eg. Google Flights, Skyscanner) do publish this information, so you can compare between your flight options and make an informed decision. Thankfully, many airlines are working towards sustainability efforts, and choosing a greener option allows you to contribute to positive change while still enjoying your incredible adventure.

5. Group Size/Tour Leaders/Guides

As we don't offer guaranteed group departures on this tour we can run the itinerary for however many people you happen to be travelling with, starting from 1 upwards. The prices given for this tour are based on a minimum of 2 passengers travelling, so if you have a different number of passengers in your group please contact us for a customised quotation.

In Morocco we provide fully trained, local English-speaking guides for the sightseeing tours in the main destinations (eg. Marrakech, Fez, Rabat, Casablanca). An English speaking tour leader/driver also accompanies the group throughout the tour.

At Encounters Travel we only use local Moroccan guides and drivers. We feel this gives you the best experience of the country and the sites you are seeing and many people describe our Moroccan guides as one of the highlights of their holiday.

6. Entrance Fees

The tour price includes entrance fees to all the tourist sites mentioned in the itinerary. You will need to cover the cost of entrance to any other extra sites that you may wish to visit.

7. Tipping

Tipping and Haggling is an accepted and usual part of life in Morocco and other countries in the region. Wages for service staff are very low and tips are a necessary supplement to meagre incomes. If you are visiting from a country where this is not the case, then we have given some guidelines below which will hopefully prove helpful. .

Tipping Kitty

On our **Small Group Tours** we implement a Tipping Kitty for your convenience and to remove the hassle of being asked for tips by main people you may come across during the tour. This kitty will be collected in US Dollars cash at the start of the tour, and administered by your tour guide. You may ask for information on who they are tipping along the way if you wish as often they will do it out of sight for politeness. However, the tipping kitty amount covers people like hotel porters, hotel waiters, local guides for city tours, airport drivers, Berber camel herders and restaurant tips. It does not cover your main tour guide.

Please check the 'Not Included' section of the tour notes for details of the tipping kitty amount for your tour. This amount is payable per person (for adults only - children on family tours do not need to pay it).

This tipping kitty system works well on small group style tours. However, due to the different numbers of people travelling, we do not use it on our **Shoestring** or **Private/Tailor-made** tours.

Other tips

Your main tour guide is not included in our Tipping Kitty. On group tours we suggest you budget around USD 2-4 per person per day to cover the main guide's tip, subject to your personal budget, and your satisfaction with the level of service provided. On private/tailor-made tours we recommend you budget a bit higher.

Throughout your trip you may at times also have a local guide in addition to your main guide. These are covered in the Tipping Kitty on our small group tours, but on other tours we suggest budgeting around USD2-3 per per day. The same applies to drivers on our Shoestring and Private/Tailor-made tours.

In local markets, and basic restaurants you can leave the loose change. For more up-market restaurants we suggest 5% to 10% of the bill.

Haggling

Haggling is a traditional necessity, so never pay too much regard to initial prices. Instead fix an item's value in your mind then negotiate towards it unhurriedly (Moroccans never rush their bargaining), and don't be afraid to simply walk away if the price isn't right. However, if you do mention a price, then you should be prepared to pay it or risk causing offence.

8. Health and Vaccinations

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions. In addition, additional courses or boosters normally recommended for the countries in this region are:

South Africa: Additional vaccinations: Hepatitis A. [Malaria map](#). Yellow Fever certificate: Required if arriving from or having transitted through an infected area.

Namibia: Additional vaccinations: Hepatitis A, Tetanus, Typhoid. [Malaria map](#). Yellow Fever certificate: Required if arriving from an infected area.

Botswana: Additional vaccinations: Hepatitis A, Tetanus, Typhoid. [Malaria map](#). Yellow Fever certificate: Required if arriving from or having transitted or travelled through an infected area.

Zambia: Additional vaccinations: Hepatitis A, Tetanus, Typhoid. [Malaria map](#). Yellow Fever certificate: Required if arriving from or having transitted through an infected area.

[Tanzania](#): Additional vaccinations: Diphtheria, Hepatitis A, Tetanus, Typhoid. [Malaria map](#). Yellow Fever certificate: Required if arriving from or having transitted through an infected area.

[Sudan](#): Additional vaccinations: Diphtheria, Hepatitis A, Tetanus, Typhoid, Yellow Fever. [Malaria map](#). Yellow Fever certificate: Required if arriving from or having transitted through an infected area. A certificate may also be required for those departing Sudan.

[Morocco](#): Additional vaccinations: Hepatitis A, Tetanus, Typhoid. Malaria not normally present. Yellow Fever certificate not required.

The above information can change at short notice. For up to date health information & vaccination requirements we recommend that you contact your medical practitioner or a travel clinic.

Malaria: Vaccinations are not available against Malaria, which is a disease transmitted by mosquitoes that can be very serious and sometimes fatal. You should avoid mosquito bites by covering up bare skin with clothing such as long sleeves and long trousers and applying insect repellents to exposed skin. When necessary, sleep under a mosquito net. Mosquitoes are most active during and after sunset. You should consult with your GP/medical practitioner/travel clinic about the most appropriate malaria prophylactic medication to take for the regions you are visiting.

Yellow Fever: This disease is spread by infected mosquitoes that bite during the day. A Yellow Fever Certificate of vaccination is often required as a condition of entry depending on which country you are arriving from, or that you have travelled or transitted through recently (including connecting flights with stopovers of over 12 hours). You can view this [US CDC information](#) about where the virus is present and follow the links to further information detailing which countries need you to have a Yellow Fever vaccination as part of their entry requirements. Please ensure you have this certificate organised in advance and with you and to hand during the trip.

Please inform us of any pre-existing conditions such as diabetes or asthma and any prescription medicine you may be taking. We also need to know about any food allergies or physical disabilities that you may have.

If you are travelling on an Overland tour or your trip includes wildlife safaris then please bear in mind that you may be travelling on bumpy roads and/or rough ground for several hours at a time. This can be very uncomfortable or painful if you have a bad back, and make such conditions worse. Please contact us if you have any concerns.

9. Passports and Visas

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities. We recommend that you contact your closest Moroccan consulate or embassy for current information for your nationality.

Currently, many nationalities (including USA, Canada, UK, European, Australian, New Zealand) do not need to obtain a visa to enter Morocco as long as your stay is for less than 3 months. Other nationalities should check with their local consulate.

10. Time

The time in Morocco is the same as GMT (plus 0 hours). Daylight saving adjustments are generally applied between the end of March and the end of October, making the time GMT plus 1 hour. During this period the time may revert back to GMT during Ramadan. Exact dates vary from year to year and sometimes the changes may be scrapped altogether.

11. Voltage

Sockets are two round pronged and 220 volts (Type C/E). Universal adaptors are available in most airport shops if you don't have one already. Standard European adapters will work fine, though sometimes they may feel a little loose in the sockets. All hotel rooms have electrical sockets where you can re-charge cameras, phones etc. Hair dryers are normally available on request from the hotel reception if not in your room already. If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.

12. Money

The local currency in Morocco is the Dirham. We recommend you bring some cash in a hard currency (US Dollars, GB Pounds, Euros) and a good ATM card. Most major currencies can be converted at most banks, but it's not wise to carry too much. Euros and US Dollars are welcomed more than GB Pounds. Travellers cheques are not easily exchanged. It can be awkward outside of Marrakech to find an ATM machine that takes your card as many Moroccan banks have ATMs that only work with Moroccan cards. Don't put your card in an ATM unless you see the symbol that matches your card on the machine, as you might lose your card! We also suggest trying to avoid using Post Office ATMs. In some smaller towns there are no ATMs that take foreign cards, so be sure you get enough cash to carry you until the next major city. BCM seems to be the best bank, accepting foreign cards in most of their ATMs.

While in Morocco you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs, tips and personal expenses such as laundry. These should generally all be paid for in Moroccan Dirham. It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 15-25 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

13. What to take

Luggage: Small or medium sized suitcases, rucksacks or fabric holdalls are all fine to bring with you to Morocco. You should also bring a small daypack/bag to take out during the day. Your main luggage will often be left in the hotel during your sightseeing trips - you will not need to carry it far, and there are nearly always hotel porters to assist.

Luggage limits: There is no luggage limit for this tour. However, most airlines restrict you to between 20kg and 25kg for your hold luggage and between 5kg and 10kg for hand luggage. Please check with your airline before travelling to the airport.

Clothing: The Moroccan climate varies according to season and region. The coast has a warm, Mediterranean climate tempered on the eastern coast by southwest trade winds. Inland areas have a hotter, drier, continental climate. In the south of the country, the weather is very hot and dry throughout most of the year, though temperatures can drop dramatically at night, especially in desert and mountains and in the months of December and January. Rain falls from November to March in coastal areas, and the rest of the country is mostly dry with high temperatures in summer and a cooler climate in the mountains. Marrakech and Agadir enjoy an average temperature of 21°C (70°F) in the winter. So, depending the time of year you are visiting you should pack for both hot and cooler conditions. Modesty rates highly in Morocco, especially for women, so to respect the local culture & people, please ensure all clothes are loose fitting and not revealing. Shorts (not hot-pants) are OK in tourist sites, as are T-shirts, but these should not show too much bare flesh (we suggest that your shoulders should remain covered). In the centre of towns and cities outside tourist areas, and when visiting any mosques, legs and arms should be covered.

Other items: If your tour includes a Berber desert camp then all bedding is provided. However, as sand has a nasty habit of getting everywhere, for comfort, we recommend bringing a light sleeping sheet or sleeping bag liner all year round, and a light sleeping bag in the winter months (November to February) when it can get very cold in the desert. We also recommend you bring a sun hat, sunscreen, sunglasses, a basic first aid kit, toiletries, money belt, small

torch, camera & charger.

14. Dates & Prices

This tour is designed as a sample tailor-made tour itinerary. As such we do not offer set group departure dates that you can join. Rather, the tour is available for you to do privately starting on any date of the year. Guideline seasonal prices are given below, based on 2 people travelling. If you would like to adjust the tour itinerary, or there will be more or less people travelling, please contact us and we will customise a price for you.

15. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You may make a deposit or full payment online, or just hold a reservation if you prefer (full payments are due 8 weeks before departure). We will then contact you with more details about how to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer, or posting us a cheque/bank draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

16. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event). [More information...](#)

You may arrange your own insurance, or you can take advantage of a comprehensive policy that we can arrange for you through Endsleigh Insurance which has been designed to be suitable for our tours. The policy is available to travellers of all nationalities and you do not need to live in the UK to take out the policy. For full details of cover provided, prices and to apply for one of our policies, please complete [travel insurance application form](#).

Note: Any country that borders the Mediterranean is considered as 'Europe' for the purposes of travel insurance (including Turkey, Israel, Egypt and Morocco). If you are doing a tour that visits one country in 'Europe' and one that is 'Worldwide' (for example, an Egypt and Jordan tour), then you need a 'Worldwide' policy. When completing the form you should enter your travel dates including any extra days involved in overnight flights or connecting travel between your home and the tour. Our policies are not able to cover any extra time or activities other than your tour and options booked with us and your travel to & from home.

Note - to comply with insurance sales regulations, our travel insurance policies are only available to customers booking directly with us. If you have booked through a travel agent you will need to arrange your own insurance.

If your tour includes car hire, or if you plan to arrange a hot air balloon flight locally or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

If you are taking expensive camera gear or other electronic equipment with you then please check the coverage and the fine print of your policy to ensure that you have sufficient cover.

IMPORTANT: We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.

Covid-19

Before purchasing any travel insurance, please check the coverage provided for situations related to Covid-19, and for the rules about government travel advice. Your normal policy may not be suitable. Details about our own policies cover levels are given [on our website](#).

17. Financial Security

We are a UK registered company and are committed to providing our customers with financial protection to provide peace of mind and to allow you to book with confidence.

We have therefore partnered with Trust My Travel Ltd., which provides financial protection services to over 2000 partners around the world. Funds paid to us by our customers are protected via an Insurance policy held by Trust My Travel. Each traveller and the description of services sold is declared against Trust My Travel's insurance policy directly against our financial failure. In the event of our insolvency, you will be refunded for any unfulfilled products and/or repatriation to the UK (where applicable). Please see [our website](#) or [booking conditions](#) for more information.

18. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect you have on the locations you visit is positive rather than negative.

- Don't prejudice: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.
- Communicate: Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- Conserve energy: Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights, air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.
- Don't litter: No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).
- Choose environmentally friendly products: By using environmentally friendly (bio degradable) sun creams, shampoos and detergents you can help reduce pollution.
- Respect local customs and traditions: As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).
- If a client commits an illegal act the client may be excluded from the tour and Encounters Travel shall cease to have responsibility to/for them. No refund will be given for any unused services.

All porters are employed and equipped following guidelines set by the International Porter Protection Group (IPPG).

20. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's ['Travel Aware' campaign](#) which provides further useful and invaluable information.
