Itinerary

Day 1: Arrive into Cairo, transfer to hotel

Upon arrival our staff will meet you at the airport, assist you with obtaining your visa and luggage, and then transfer you to your luxury hotel located right at the foot of the Pyramids for the start of your trip. They will help you settle in, introduce you to the local area, and explain tomorrow's arrangements. This evening you are welcome to join Me Ra, Brian and your fellow tour mates for a welcome dinner in Cairo.

OVERNIGHT: Cairo hotel

MEALS: Dinner

EXTRAS:

Day 2: Cairo, Pyramids, Sphinx & Museum

We start this morning with Egypt's biggest attraction, and one of the world's most famous sites – the three Pyramids and Sphinx at Giza. One of our local Egyptologist guides will be accompanying you on this and all of your other sightseeing tours, and you'll find them a wealth of knowledge and full of enthusiasm about Egyptian history, and their country in general.

At 500 feet high and 750 feet wide at its base the Great Pyramid of Khufu (Cheops) is an awesome man-made structure constructed of giant stone blocks with a hard limestone casing. The casing has, over the years, been stripped away to leave exposed the inner block structure. Together with the smaller pyramids of Khafre (Chephern) and Menkaure (Mycerinus), the majestic sight of these enormous structures rising out of the desert is a breath-taking spectacle. You will have the opportunity to climb down right inside the pyramids if you wish, though your guide cannot accompany you (a limited number of tickets are available for the Great Pyramid).

After a snack lunch we head into central Cairo to explore the Citadel and the famous Egyptian Museum, home to the incredible Tutankhamum collection.

Finally we return to the pyramids for a fun camel ride from a spot behind the pyramids, approaching them on the backs of our camels as the sun sets.

OVERNIGHT: Cairo hotel

MEALS: Breakfast, Lunch

EXTRAS: Extra day in Cairo (4-star) - pre-tour

Day 3: Morning flight to Aswan. Nubian village tour and family lunch. Boat tour to Philae Temple

This morning we leave Cairo early for a domestic flight to Aswan and on arrival transfer to our hotel overlooking the Nile which is at its most picturesque here, with cascading rapids, lush green islands, and feluccas sailing to and fro. Aswan itself is a melting pot of African and Middle Eastern cultures, most easily experienced by wandering through the busy markets with your guide. Our first visit today is to a local Nubian Village where you'll explore the traditional buildings, some painted colourfully, and also visit a local Nubian family where you'll have

lunch. This will be a great opportunity for you to learn about the local Nubian way of life, see their houses and try food unique to their culture.

After lunch we'll visit the Temple of Philae, a beautiful island complex dedicated to Isis and reclaimed from the rising waters of Lake Nasser, which we reach by a scenic boat ride.

OVERNIGHT: Aswan hotel

MEALS: Breakfast,Lunch

EXTRAS:

Day 4: Aswan. Free morning. Abu Simbel option. Nile felucca cruise

This morning is left free to review your photos or to walk around Aswan's markets and shopping streets.

Alternatively, there is the option to join Me Ra and Brian for an early morning visit to the incredible UNESCO world heritage site at Abu Simbel. The temples built by Ramses II at Abu Simbel are one of Egypt's highlights, and have a fascinating story behind them to go with their impressive size. When Lake Nasser was flooded, the final water level was going to submerge several temples, the most important of which being Abu Simbel. The temple was therefore dismantled completely and rebuilt further up the hillside where it sits today. The temple stands today as a testament to Ramses II and the great building prowess of the ancient Egyptians, as well as to modern engineering. We depart Aswan very early in the morning in order to fly to Abu Simbel in time to see the temples in the light of the rising sun. We then have a guided tour with one of our Egyptologists and some free time before we fly back to Aswan.

We board our traditional Nile felucca at lunchtime to enjoy an afternoon sailing down the Nile. Floating down the Nile on a felucca is one of Egypt's most enjoyable activities and you'll be able to watch local rural Egyptian life pass you by on the banks of the river as you drift past. Our Nubian crew will sail the boat and entertain you on the way, as well as preparing meals for you. Our separate facilities boat will join with us from time to time during the day and moor up with us at night. This boat has a welcome toilet and showers on board as well as a hygienic kitchen where the crew will prepare a delicious evening meal before we sit and chat and sing around the camp fire. Finally we return to the comfort of our hotel in Aswan for the night.

OVERNIGHT: Aswan hotel

MEALS: Breakfast,Lunch,Dinner

EXTRAS:

Day 5: Drive to Luxor via Komombo, Afternoon Karnak temple

We leave Aswan this morning drive north following the banks of the Nile towards Luxor, visiting the riverside temple of Komombo along the way (4-5hrs drive).

The town of Luxor is built on and around the ancient site of Thebes, and boasts the largest concentration of ancient ruins in the Nile Valley, if not the world. To the west of the Nile lies the City of the Dead, with its mortuary temples and rock-hewn tombs, whilst to the east lie the Temples of Luxor and Karnak.

After checking into our hotel, we'll tour the huge temple complex at Karnak, once the religious centre of Thebes and Upper Egypt. It was linked to Luxor by an extensive avenue, lined with sphinxes, and the whole complex was in turn linked to the Nile via a canal through which moved the sacred boats of the god Amun. Entering through a smaller sphinx-lined avenue, built by Ramesses II, you come to the immense pylon entrance. Inside the huge Courtyard are three chapels dedicated to the gods Amun, Khous and Mut. The remarkable Hypostyle Hall has 134 towering columns, each carved with scenes of gods and pharaohs, and hieroglyphic inscriptions adorn the walls. Dinner in the hotel.

OVERNIGHT: Luxor hotel

MEALS: Breakfast,Dinner

EXTRAS:

Day 6: Morning West Bank tour. Free afternoon. Evening Luxor temple

A spectacular optional hot air balloon flight over the west bank of the Nile is available this morning (expect an early start to catch sunrise as the balloon rises) - \$119 p/p

After breakfast we cross the Nile early this morning to begin our tour of Luxor's West Bank. Home to the Valley of the Kings, the dusty tombs in this ancient burial site are still revealing their secrets today and so it remains one of the most important archaeological sites in the world. Our tour includes several of these Pharaonic tombs, as well as the temples of Queen Hatchepsut and Medinat Habu, and the huge Colossi of Memnon.

The afternoon is free to relax in the hotel and take a photography workshop session with Me Ra and Brian. This evening we'll head into Luxor for a walking tour of the smaller Luxor Temple which is right in the middle of town where you'll have some great photography opportunities whilst the temple is lit up. In the evening you'll have a dinner at a local restaurant.

OVERNIGHT: Luxor hotel

MEALS: Breakfast,Dinner

EXTRAS: Hot air balloon in Luxor

Day 7: Morning fly to Cairo. Transfer to Tunis Village in the Fayoum Oasis

This morning we transfer to the airport and fly to Cairo (around 09.15-10.15). On arrival we drive south to the Fayoum Oasis area and Tunis Village. Located on a hill facing a large salt water lake, the village overlooks a stunning view of the edge of the desert on the other side of the lake. It is one of the most scenic places in Egypt. In the 1980s, Evelyne Porret, a potter from Switzerland, moved here with her husband Michel Pastore, and built a house and pottery studio. She was the first potter in the village, and trained many of the local children in the craft of pottery. Several of her students ended up creating their own pottery studios. Over the last thirty years, artists, painters, writers, journalists and others from Cairo and elsewhere, have built mud-brick houses in the village, as well as an Art Center which all contribute to Tunis' lively artistic feel. Today, the village counts a School, more than ten Pottery Studios, and hosts an annual Pottery Festival. This is a great place to unwind and get a feel for a much less touristy side to Egypt. We'll spend the afternoon touring the village and taking photos.

Tunis is also on the way to Wadi Rayan, a freshwater lake fed in the desert, fed by excess irrigation water from the Fayoum region. Beyond Wadi Rayan is the fascinating and beautiful World Heritage Site of the Valley of the Whales which we will visit if time permits. More about Tunis village...

OVERNIGHT: Homestay houses or boutique hotel such as Lazib Inn or Komm el Dikka

MEALS: Breakfast,Dinner

EXTRAS: Saqqara, Dashour & Memphis

Day 8: Cairo. visit Khan-el-Khalili. Evening sufi dancing show

We return to Cairo this morning and check into our hotel in the centre of the city by the Nile.

We'll then head out for a guided walk through the back streets and bazaars in central Cairo, stopping for a snack lunch along the way. We'll walk through the huge Bab al-Futuh gateway and explore streets dedicated to metalwork, spices, pottery, fabric, jewelery and anything else you can imagine as we gradually enter the more touristy Khan-el-Khalili bazaar. There will be lots of opportunities for photographing local craftsmen and market scenes here. We'll have time for a break to try some tea and a shisha pipe and perhaps a late afternoon snack of Egypt's unofficial national dish, Kushari. In the early evening we'll walk to the nearby Wikalat al Ghuri, a 16th century market place built by the Sultan Qunsuwah Al Ghouri and located opposite the mosque and mausoleum of the same name. The bi-weekly Al Ghuri sufi show here is a colourful spectacular of Sufi tradition combined with Egyptian showmanship and flamboyance. The result is loud, colourful and extremely entertaining. The domed roof and four floors of stunning Islamic architecture host the performers and their packed out crowds twice a week each Wednesday and Saturday evening. Although the Al Ghuri Sufi Show starts at 1930, we'll get there early to avoid disappointment as the seats go quickly and even the standing areas around the side and rear of the main hall fill eventually. Visitors to the Al Ghuri Sufi Show can expect a medley of dervish inspired dance, eerie sufi vocals all accompanied by masterful percussion. Yes it is touristy (but full of Egyptians too, and a much better experience than the sufi shows on the cruise boats) and tongue in cheek at times, but thoroughly entertaining and delivered with talent, emotion and skill. It's also an opportunity to play with photography settings catching the whirling sufi dancers' cloaks.

Later this evening we'll head into central Cairo for a delicious dinner in a restaurant located on the banks of the River Nile. You'll be able to exchange photos and memories with your fellow tour mates and reflect on your journey through the land of the pharaohs.

Options

Our tours are designed to include all that you need to enjoy a really special time in the destination you're visiting. However, we do also offer some extra options to complement the tour and add some additional sightseeing or activities, or some extra time at either end of the tour.

All accommodation based options (e.g. Single supplements, extra nights, cruise upgrades) should be booked and paid for in advance so that we can make the appropriate arrangements. Other options may either be booked and paid for in advance or while you are on the tour, though we recommend booking in advance to ensure there are no issues with availability.

Many options are priced the same throughout the year, but some may incur single or high season supplements - full details are given on the tour reservation form or on request.

No Options

1. Transport

Our trips feature a mix of different transport options. We want you to feel like you're really experiencing the country you're travelling through, but at the same time we want you to finish journeys refreshed enough to enjoy the next stage of the tour. All the vehicles we use are air-conditioned, many are fitted with speed limiters, and all are inspected and checked daily. Some 4WD vehicles used on desert safari options may not always have air conditioning where they are only used for short periods.

This tour also avoids any overnight train journeys, featuring domestic flights with Egypt Air between Cairo-Aswan and Luxor-Cairo.

2. Your Hosts and Teachers

This tour will be hosted and led by Me Ra Koh and Brian Tausend. Me Ra, affectionately known as The Photo Mom, is the leading photography expert and educator to moms with cameras. She hosts the Disney Junior TV show Capture Your Story with Me Ra Koh. Not only do tens of thousands of moms follow her blog for photo tips and creative inspiration, but she also writes for Disney's Babble and Conde Nast Traveler in which she inspires moms to not only capture their family but live their best life. Her husband Brian, has produced, filmed and directed projects for some of the largest networks and retailers (Disney, NBC, Scripps Network, Sony and Target). He entered the production and directing world with a bang! He first produced, scripted and starred (as the nutty professor) in the instructional DVD series for parents, Refuse to Say Cheese and Beyond the Green Box, with Me Ra in 2006. You'll find Me Ra and Brian great fun to spend time with, as well as being skilled, patient and imaginative teachers.

3. Deposit and balance payments

A deposit of GBP 715 / USD 1000 is required to secure your place on the tour. Further payments, again of GBP 715 / USD 1000 are then due at 10 months and 8 months before departure, with the final balance due 6 months before the tour starts. All payments are non-refundable once made. This payment schedule is designed to help you budget for the tour and to allow us enough lead time to fill places should any cancellations take place.

4. Passports and Visas - Egypt

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

We recommend that you contact your closest Egyptian consulate or embassy for current information for your nationality.

In general official advice is that all nationalities obtain their Egypt visas in advance, as we cannot guarantee that you can get them in the airport. An online e-visa is available through [visa2egypt](https://visa2egypt.com). Please do not use any other website as there are many scam sites offering Egypt e-visas.

In practice however, many nationalities (including British and European, Australian, New Zealand, USA) can and do obtain their visas on arrival in Cairo airport. The process is much quicker and simpler, the cost is currently **US\$30 p/p** and must be paid in hard currency (i.e. GBP, USD or EUR) - you'll be given change in local currency if necessary. There are no forms to fill in and you don't need to bring passport photos. Visas are issued at one of the bank desks in the immigration hall, before you get to passport control. If flying into Cairo International Airport our representative will have met you by this stage and will assist with the process.

Important Note: Due to recent changes in the visa regime for Canadians, a visa on arrival or e-visa will no longer be possible for Canadian Citizens entering Egypt after October 1st 2023. Until further notice Canadian passport

holders must obtain a visa prior to arrival, from the nearest Egyptian Consulate.

All African & Indian nationals, and some others, will need to obtain their visas in advance.

For further information on your visa requirements, please either contact us or your local Egyptian embassy/consulate.

5. Transfers

Our Egypt tours include a 24-hour airport meet & assist service in Cairo airport, your arrival and departure airport-hotel transfers and all other transfers. Our representative will meet you in the immigration hall of Cairo airport before you get to passport control (if you are flying into Sphinx International Airport, our representative will be waiting outside, after you have passed through immigration and re-claimed your luggage). They will assist with visa formalities before helping you collect your luggage and taking you to your hotel.

Your airport transfers are only included on the first and last day of the set tour itinerary, plus on any additional days if you book your hotel room with us. If you make your own arrangements for additional accommodation at either the beginning or the end of the tour then you will need to arrange your own airport transfers on these days.

6. International Flights

We want to give you as much flexibility as possible when it comes to booking your holiday with us. So, to take account of people with varying travel plans, we don't normally include international flights in the main tour price. We are however very happy to suggest flights to go with the tour. Please contact us with your preferred dates and departure airport and we'll give you a selection of airlines, times and fares to choose from.

Your airport arrival & departure transfers are included on the first and last days of the tour. Nearly all our Egyptian tours start and finish in Cairo. You can fly into Cairo International Airport (CAI) or Sphinx International Airport (SPX).

We do also sometimes advertise flight inclusive packages from selected airports. Where these are shown on our website, prices are correct at the time of quoting, but are subject to continued availability of the fare used. Prices will be reconfirmed at the time of booking, and we will also provide the flight times and airline details before tickets are issued.

Travel Zoo / Groupon Flight Inclusive Packages

Encounters Travel occasionally offer flight inclusive packages - In this case, your international flights will be included as per the package you have purchased. Flight inclusive prices are based on the cheapest Economy ticket class available which is generally non-refundable and non-changeable. More flexible ticket options, as well as Premium Economy and Business Class tickets are available on request for an additional supplement. Any changes made to flight inclusive bookings will be subject to the airline rules on your ticket.

Flight CO2 Emissions:

Traveling by air is an amazing way to explore the world, but flights also contribute to carbon dioxide (CO2) emissions that impact the environment. By considering the airline's CO2 emissions when you choose your flight, you can help minimize your travel footprint.

When selecting your international flights and airline, we do therefore recommend that you try and also take into account the flight CO2 emissions. Some airlines and flight search websites (eg. Google Flights, Skyscanner) do publish this information, so you can compare between your flight options and make an informed decision. Thankfully, many airlines are working towards sustainability efforts, and choosing a greener option allows you to contribute to positive change while still enjoying your incredible adventure.

7. Group Size/Tour Leaders/Guides

We are committed to being a small group operator, as we feel this gives everyone in the group the best chance to get to know their fellow travellers and to hear and make the most of their guide. There's no point in us providing great guides if you've got to peer over 30-40 shoulders to see them! So, we won't ever put you in a 50-seater coach with 49 other people and just one guide. Instead, we set our Egypt small-group departures to have a maximum of 18 travellers.

Shoestring tours have a maximum group size of 26. On dedicated Nile Cruise tours (such as the Long Nile Cruise) you may join larger boat groups (generally of no more than 30 passengers per guide) for the sightseeing trips, though a supplement is always available for a private Egyptologist guide for these tours (requires advance booking).

Specialist escorted tours and workshops may have different group sizes - please download the Tour Notes for details.

In Egypt we provide fully trained, local English-speaking graduate Egyptologist guides to run your tour and escort you during all of the sightseeing in Cairo and the Nile Valley. We also have permanent local reps in all the main towns/cities and Red Sea resorts who are also at your service, and will be handling all the practical arrangements for the tour. We use local Bedouin guides for tours through the desert.

Whilst the majority of our tours are guided in English, we do offer a limited number of small group departures which are led by experienced Egyptologist guides fluent in French or Spanish. Notes are shown next to each departure date to highlight these. Guiding in other languages is also available on private departures (eg. German, Italian, Polish) - please contact us for details and quotations.

On some departures we may use one guide in Cairo, and a second guide if you are travelling between Aswan and Luxor.

At Encounters Travel we only use local Egyptian guides and reps. We feel this gives you the best experience of the country and the sites you are seeing. Please check our website for more details and profiles of some of our most famous Egyptian guides.

8. Entrance Fees

Our Small Group tours do not include entrance fees to the tourist sites mentioned in the itinerary. We do however normally include these in prices for Tailor-Made and Escorted tours. Please check the Inclusions and Exclusions section below the tour itinerary for a details about your tour and the amount you may need to budget. This amount is subject to change and will be reconfirmed in Egypt at the start of your tour. A 50% discount for minors or ISIC card holders is often, but not always available.

Your guide will be happy to collect payment for all the entrance fees at the start of the tour, and pay them for you as you go along if you wish. This payment is normally collected in US Dollars cash together with payment for any Tipping Kitty used on the tour, though you may also pay with Egyptian Pounds or other currencies, converted to USD. Local exchange rates are set on a monthly basis and based on local bank rates so may not match the exact rates you may find online on the day.

Entrance Fee Increases:

Please note that whilst we make every effort to keep the amounts we advise for local entrance fees as up to date as possible, these amounts should be considered a guide only due to fluctuating exchange rates and local rate changes imposed by the Egyptian government. We are aware that the Egyptian Government will be updating their entrance fees in November 2024 and our website will be updated at that time to reflect the revised fees.

9. Tipping

Tipping is very much a part of Egyptian culture and customs. To make our prices more transparent and so it is easier for you to budget and less hassle while in Egypt, on our small group tours we organise a 'Tipping Kitty' which needs to be paid as a local payment and will be around US\$30-80 depending on the length of your trip. Payment is collected in US Dollars cash or can also be paid with Egyptian Pounds or other currencies converted to US Dollars at our local monthly exchange rate, or by credit card (3% fee). This kitty provides tips for a wide

range of people you'll meet along the tour including hotel porters, housekeeping staff, train and station staff, drivers, site guards, local reps etc. Please check the Included/Excluded notes below the tour itinerary for more information on how much to budget for this kitty.

Your Egyptologist guide (and Bedouin guides in the desert) is not included in this kitty and you may tip them at the end of your tour subject to your satisfaction with and appreciation of the service they have provided. You should not feel obliged to tip any particular amount, and should consider your personal budget. We are often asked to provide a guide however, and can suggest that approx. USD 10-15 per person per day would be appropriate.

Children under the age of 12 do not need to pay this tipping kitty.

On private/tailor-made tours we can also arrange a tipping kitty if you wish, or you can tip people as you go along the tour. Your guide will be happy to help advise either way.

10. Accommodation

Most of our small group tours use high quality hotels at the Egyptian 5-star level in Cairo, Aswan, Luxor and Hurgada, all with swimming pools and a choice of restaurants and bars.

However, some of our lower budget trips (eg. Egypt Express, Pharaonic Encounters and Sands & Seas) use good quality 3 and 4-star level hotels, all with air-conditioned en-suite bathrooms. On some tours we also use a Nubian styled hotel in Aswan which is full of character and has a great location by the Nile and in the heart of a Nubian village.

Our private/tailor-made tour itineraries use a wider mix of hotels, from comfortable mid-range hotels at the 3-4 star level (generally the best available in some of the less visited places included in the particular itinerary) up to some of the very best deluxe 5-star properties in the country.

Please check the Accommodation tab on the tour page or download these Tour Notes for details of the normal hotels used. On our group tours, these hotels may change from time to time for other properties of a similar standard. If you would like to guarantee a particular hotel, please request a tailor-made tour.

Nile cruise tours are generally based on Egyptian 5-star level boats - perhaps equivalent to a decent international 4-star hotel standard. Please check the Accommodation section on the tour page for details. Deluxe 5-star level boats, all-suite boats, and Dahabiyas are also available on private and tailor-made tours. Please contact us for details.

Accommodation is based on twin, triple or double en-suite rooms/cabins with air conditioning. All couples will be given a private double room/cabin. Triple cabins are not available on Nile cruise boats.

Please check the Single Room Supplement option for details on room sharing options and charges for solo travellers on this tour.

Gala Dinners

Many of Egypt's hotels and Nile cruise boats arrange a very special gala dinner with entertainment in the evening on Christmas Eve and New Year's Eve. Payment for these is often optional on Christmas Eve (24 Dec) but may be compulsory on New Year's Eve (31 Dec), whether you attend or not. Prices can range from around US\$50 to over US\$180 per person. Final decisions on prices and whether dinners are compulsory are made relatively close to the time. We aim to always select hotels that make their Gala Dinners optional, though this is not always possible. Gala dinner prices are therefore not included in our prices above, but will be added to your booking if they become required. More information is available on request.

11. What to take

Luggage: Suitcases, rucksacks or fabric holdalls are all fine to bring with you to Egypt. You should also bring a small daypack/bag to take out during the day. Your main luggage will normally be left in the hotel during your sightseeing trips – you will not need to carry it far, and there are nearly always hotel porters to assist.

Luggage limits: There is no luggage limit for this tour. However, most airlines restrict you to between 20kg and 25kg for your hold luggage and between 5kg and 10kg for hand luggage. Please check with your airline before travelling to the airport.

Clothing: Most of your time in Egypt will be in a hot climate. However, at night, and especially in the deserts, the temperatures can drop quite dramatically. So you must pack for cool conditions. Formal dress (eg. suits & ties) is not required on the cruise boats or in 5-star hotel restaurants. Long sleeves are recommended to protect from mosquitoes if you are on the felucca. Modesty rates highly in Egypt, especially for women, so to respect the local culture & people, please ensure all clothes are loose fitting and not revealing. Shorts (not hot-pants) are OK in tourist sites, as are T-shirts, but these should not show too much bare flesh (we suggest that your shoulders should remain covered). In the centre of Cairo, and when visiting any mosques, legs and arms should be covered.

Other items: If you will be travelling on a felucca then we recommend bringing a light sleeping sheet or sleeping bag liner all year round for comfort, and a light sleeping bag in the winter months (November to February). We also recommend you bring a sun hat, sunscreen, sunglasses, a basic first aid kit, toiletries, small towel, money belt, small torch, camera & charger.

12. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You may make a deposit or full payment online, or just hold a reservation if you prefer (full payments are due 8 weeks before departure). We will then contact you with more details about how to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer, or posting us a cheque/bank draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

13. Financial Security

We are a UK registered company and are committed to providing our customers with financial protection to provide peace of mind and to allow you to book with confidence. We have therefore partnered with Trust My Travel Ltd., which provides financial protection services to over 2000 partners around the world. Funds paid to us by our customers are protected via an Insurance policy held by Trust My Travel. Each traveller and the description of services sold is declared against Trust My Travel's insurance policy directly against our financial failure. In the event of our insolvency, you will be refunded for any unfulfilled products and/or repatriation to the UK (where applicable). Please see [our website](#) or [booking conditions](#) for more information.

14. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect you have on the locations you visit is positive rather than negative.

- Don't prejudge: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.

- **Communicate:** Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- **Conserve energy:** Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights, air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.
- **Don't litter:** No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).
- **Choose environmentally friendly products:** By using environmentally friendly (bio degradable) sun creams, shampoos and detergents you can help reduce pollution.
- **Respect local customs and traditions:** As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).
- **If a client commits an illegal act the client may be excluded from the tour and Encounters Travel shall cease to have responsibility to/for them. No refund will be given for any unused services.**

All porters are employed and equipped following guidelines set by the International Porter Protection Group (IPPG).

16. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event).

Considering travel insurance for your trip? [World Nomads Travel Insurance](#) offers coverage for more than 150 adventure activities as well as emergency medical, lost luggage, trip cancellation and more.

If your tour includes car hire, or if you plan to arrange a hot air balloon flight locally or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

If you are taking expensive camera gear or other electronic equipment with you then please check the coverage and the fine print of your policy to ensure that you have sufficient cover.

***IMPORTANT:** We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.*

Covid-19

Before purchasing any travel insurance, please check the coverage provided for situations related to Covid-19, and for the rules about government travel advice. Your normal policy may not be suitable.

17. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's '[Travel Aware](#)' campaign which provides further useful and invaluable information.

18. Reduce Plastic Waste with Water-to-Go Filter bottles

Traveling responsibly means minimizing plastic waste, but staying hydrated on the go is essential. At Encounters Travel we are committed to reducing single-use plastics, which is why we've partnered with Water-to-Go. Their portable filtration system removes over 99.9% of contaminants from any non-saltwater source, turning even questionable water sources into safe drinking water.

Given that tap water is un-safe to drink in many of the countries in which we operate, we recommend purchasing a Water-to-Go bottle prior to departure. This will help you avoid the use of single use plastic bottles and keep you hydrated on the go.

Save big! Get a huge 25% off your Water-to-Go bottle and other Water-to-Go products (such as filters, lids, and carriers). Use code **ENCOUNTERS25** at checkout (valid in the UK, USA and Canada).

How Water-to-Go Technology works:

- Their reusable, BPA free water bottles contain their own unique 3-in-1 filtration technology effectively providing clean safe drinking water from any non-salt water source around the world.
- Three different (1 traditional and 2 nano) technologies are combined in one filter cartridge to remove up to 99.9999% of microbiological contaminants in water.

The three technologies used in a Water-to-Go filter are:

- Mechanical filtration – A tiny pore size, so small contaminants can't fit through.
- Electrical – A positive charge reduces the pore size even further and attracts contaminants like a magnet, trapping them inside the filter.

- Activated Carbon – Unlike most carbon based filters, instead of using adhesives to glue the carbon particles together, (which vastly reduces the carbon's efficiency) it is contained within the membrane, helping to reduce contaminants whilst eliminating bad tastes and odours. Try filtering water from your tap at home and taste the difference!

Water-to-Go filter bottles deliver safe, healthy water worldwide

- Water-to-Go filters remove bacteria, viruses, waterborne disease, protozoa, heavy metals such as lead as well as harmful chemicals.
- Their filters remove Chlorine and Fluoride from tap water.
- The filter will eliminate harmful contaminants from the water but allow beneficial minerals such as sodium and magnesium to pass through leaving you with the healthiest water possible.
- Water-to-Go filters have been independently tested against internationally recognised standards by industry specialists including The London School of Hygiene & Tropical Medicine (UK), BCS Laboratories (USA), Bangalore Test House (India) and IMI (China).

Use Water-to-Go products and you'll be healthier, wealthier and helping to make the world a better place!

- Depending on filter size, each Water-to-Go filter is able to replace 260 or 400 single-use plastic water bottles!
- They ensure you have access to safe water anywhere in the world without ever having to buy environmentally damaging bottled water.
- Their water bottles deliver safe, clean drinking water at just 5p per litre.
- The filter membrane is biodegradable and the shrouds are recyclable.
- The water bottles are used and approved by everyone from backpackers to commuters, gym users to expecting mums. Perfect for everyday, outdoor and travel.

19. Private & Tailor-made Tours

While our group departures offer a fantastic way to explore with like-minded travellers, we understand that some guests prefer a more exclusive experience. Most of our group tours can be booked on a private basis, allowing you to enjoy the same expert-led routes with your own dedicated party. The primary advantage of choosing a private arrangement is the flexibility it provides; we can easily customise the itinerary to include your preferred style of accommodation or adjust the pace to suit your needs. Private tours can be run on the same start days as our group tours, or on other dates. However, some activities within our trips are restricted to particular days of the week - we will advise you on anything like this that we need to work around. Pricing will be based on the number of travellers in your party, and any customisations you may like to make.

For those seeking something truly unique, our specialist sales team is available to collaborate with you on a completely tailor-made tour, designed from the ground up to match your specific interests, accommodation level and requirements.

20. Money - Egypt

The local currency in Egypt is the Egyptian Pound, often denoted 'LE'. The Egyptian Pound can vary significantly in value against the British Pound, but sticks fairly close to the value of the US Dollar. You do not need to arrange to bring any Egyptian Pounds with you to Egypt, as change facilities are available in all the hotels, airports and banks. You should try to obtain and keep hold of small denomination notes or coins on you during the tour as these are useful for toilets, tips and small purchases. ATMs are readily available in major towns and many local shops will accept VISA/Mastercard or Amex, but may charge fees of up to 10% - check before you pay. Travellers cheques are not recommended as they can not be changed in many places now, and can incur high fees.

While in Egypt you will need sufficient funds to cover meals not included in the itinerary, drinks, snacks, souvenirs

and personal expenses such as laundry. These should generally all be paid for in Egyptian Pounds. You may also need to pay for the tour Tipping Kitty and site Entrance Fees while you are in Egypt. Payments for these may be made to your tour guide in hard currency (USD, GBP, EUR) at the start of your tour. Please see your tour Included/Excluded details for more information and guideline amounts for these.

It is difficult to recommend a level of personal spending money which will suit everyone as this can differ greatly, but as a guideline, we would suggest allowing USD 15-25 per person per day as a minimum. Allow more if you plan on doing lots of shopping, or buying many alcoholic drinks.

21. Voltage

Sockets are two round pronged and 220 volts (Type C). Universal adaptors are available in most airport shops if you don't have one already. Standard European adaptors will work fine, though sometimes they may feel a little loose in the sockets. All hotel rooms have electrical sockets where you can re-charge cameras, phones etc. Hair dryers are normally available on request from the hotel reception if not in your room already.

If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.

22. Time

The time in Egypt, Jordan, Israel and Lebanon is GMT plus 2 hours and in UAE GMT plus 3 hours. Daylight saving adjustments have historically been applied in some years but not others. At present it appears that there will be no daylight saving changes in Egypt 2016 and beyond, though this may change at short notice (with a resulting impact on flight times and schedules). In Jordan and Israel, daylight saving of one hour is generally applied between the end of March and the end of October, making it GMT plus 3 hours. Exact dates vary from year to year and sometimes the changes may be scrapped altogether.

23. Health and Vaccinations

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions.

In addition, additional courses or boosters normally recommended for the countries in this region are:

Egypt: Tetanus, Typhoid, Hepatitis A

Jordan: Tetanus, Hepatitis A

Israel: Hepatitis A, Poliomyelitis

Lebanon: Diphtheria, Hepatitis A

Malaria is not generally present unless it has been contracted abroad; you do not need to take malaria prophylactics.

Note: We are aware of some places in Egypt using 'black henna' instead of pure brown henna. Black henna contains a chemical dye PPD (paraphenylenediamine) which can result in severe allergic reactions and resultant scarring. To be safe we recommend avoiding any henna tattoos while in Egypt unless you are certain they are using pure brown henna.
