Day 1: Meet in Beijing, Great Wall of China Camping

Our tour starts at the Beijing Spring Time Hostel at 10 am, where you'll meet your tour leader and the rest of the group.

Late Morning we visit one of the wonder of the world, the Great Wall of China. To obtain permission to access the locals only sections of the unrestored Great Wall, we enjoy a mandatory meal at a local farm. We'll then hike on totally unrestored sections of the Wall where we set up camp on a deserted section of the wall. In the evening we take in suneset in this ancient and dramatic setting (Please note, due to cold weather before the end of April and after September, we stay in a guest house near the Wall instead of camping, but still return to the Wall to watch sunrise in the morning. Between April and September monsoon rain may also mean we are unable to camp on the wall.).

1. Group Size/Tour Leaders/Guides

The group size on our budget China tours is min 5, max 20.

Each trip is accompanied by a mixture of western and local tour leaders who are all bilingual in Mandarin and English. Local tour leaders are often young professionals who work for a couple of seasons after graduating university. They are highly educated and thoroughly trained, but as they are doing it more for personal experience rather than to make money, they are cheaper, helping to keep the tour cost down, and some may argue, are more enthusiastic than the 'career tour guides' used by most tour companies in China.

Tour leaders tend to be specialists in their own local region and generally do not accompany the group between the main cities of locations on the tour. Instead they will look after you throughout your time in each main hub and then get you settled onto the train to the next location where you'll be met by your next tour leader.

This tour is run in conjunction with our friends at The Dragon Trip, so you will be joining travellers booked with them.

2. Passports and Visas

Passports should be valid for at least six months after your departure from the country. Please do not bring an almost full or almost expired passport. Visa arrangements are the responsibility of the traveller, and requirements are subject to change by the local authorities.

If you renew your passport between the time you book and your final travel date, please let us know as soon as possible. When purchasing your train tickets in China, we must have the details of the passport that you will be carrying while you are on the trip.

In general, all nationalities (except Singapore, Brunei & Japan) need to apply for and obtain a China tourist visa before entering Mainland China. Most nationalities are not required to have a visa for travel solely to Hong Kong. If your flight into Hong Kong connects in mainland China (for example, in Beijing or Shanghai), you will need to tell the Immigration officer in the airport NOT to cross out a single-entry visa, as you are only transferring. If the Immigration officer crosses out a single entry visa, you will encounter difficulties when you start your trip with us and need to cross the border from Hong Kong back into mainland China.

In order to apply for your China tourist visa to travel on this tour, you will need the following:

- 2 passport photos
- an invitation letter (which we will provide)
- an itinerary (you can download and provide these tour notes for this)
- photocopy of your passport
- a completed visa application form
- a confirmed flight/train ticket with entry and exit dates shown clearly

Please send us a scanned / photographed copy of your passport identity pages as soon after booking as possible so that we can start to arrange your invitation letter. We also need a copy of your passport in order to book your accommodation and train tickets in China, so please ensure we get it as quickly as possible. We'll send your visa invitation letter to you together with a detailed itinerary as soon as its ready. You should then apply for your visa within three months of your travel start date.

Visa application form assistance:

You can download a copy of the official China visa application form [here](#).

Please note the following when completing the form:

- You must print the form off as double-sided. This is an embassy requirement.
- Please fill the form out using black capital letters.

- In Chinese culture dates are written in the order of year / month / day, so please follow this on your form.
- 1.9 - Leave this blank, it is not referring to your passport number.
- 2.1 - Tick the Tourism box.
- 2.2 - Unless you plan to enter Mainland China again before or after your tour with us, you will require a single entry, 3-month visa.
- 2.4 - Please write the number of days of how long your tour in Mainland China will be. For example: China on a Shoestring - 25 days, please input 24 days here (Day 25 is in Macau and Hong Kong, both of which are not in Mainland China). Highlights of China should be 15 days, and Beijing to Shanghai Express should be 9 days.
- 2.5 Please enter the following addresses and phone numbers in the 'Detailed Address' column according to your itinerary.
 1. Yangshuo 11 international Hostel NO. 11 Lian Feng Xiang West, Street YangShuo GuiLin GuangXi, Yangshuo

For further information on your visa requirements, please either contact us or your local Chinese embassy/consulate.

3. Accommodation

Our Shoestring China tours are based on basic but comfortable and fun hostel accommodation. These are safe and have good showers, internet, washing machines, and real Chinese character. Like hostels around the world, they tend to be most popular with young travellers aged 18 to 35 who are travelling on a small budget and who are keen to meet people and make new friends in the lounge or bar. While these are subject to change, the main hostels we use are:

- Yangshuo 11 international Hostel Yangshuo – 11 Lian Feng Xiang West, Street YangShuo, GuiLin, GuangXi, Yangshuo
- Mr. Panda Guesthouse Chengdu – Mr Panda Guesthouse, 75 2nd Ring Road North, Chengdu (Tel: +86 028 8662 8336)
- Shuyuan hostel Xi'an – Shuyuan Youth Hostel, No.2 West Shuncheng Road (Tel: +86 029 8728 7720)
- Bandeng Guest house Shaolin – Bandeng Guest House (Tel: +86 159 3871 9599)
- Leo Hostel Beijing – Leo Hostel 52, Da ZhaLanXiJie, Qianmen, Beijing (Tel: +86 010 6303 3318)
- Xiwuli Lodge Moganshan – Xiwuli Lodge, Houwu Village, Paitou Township, Deqing County (Tel: +86 1865936 9855)
- Phoenix Hostel Shanghai – Phoenix Hostel 15-17 South Yunnan Road Shanghai (Tel: +86 021 6328 8680)
- Camping/Tulou stay Fujian – WanheKezhan Tulou (Tel: +86 1395 9628 178)

Accommodation is in shared dorm rooms with all bedding and linen provided (this includes sleeping bags and mats during camping excursions at the Great Wall). Luggage is tagged, recorded and stored at the hostels while you are out on day excursions.

Camping at the Great Wall is only available between April and the end of September.

Upgrades to private rooms are available at the time of booking or up to 4 weeks before departure. Prices are per room (so couples can split this price between them): HK-HK 25 days = \$780; BJ-BJ 18 days = \$380; HK-HK 16 days = \$350; SH-SH 18 days = \$380; HK-BJ 15 days = \$350.

Important Note:

Accommodation is not included in the standard tour itinerary for the night before Day 1 of your trip or for the night of the last day of your trip.

If booking your own accommodation for these pre/post-tour nights we recommend the hostels listed above. If you are booking accommodation in Hong Kong we recommend doing this as far in advance as possible as it can get very expensive if you leave it until close to your check in date.

4. Voltage

A variety of different electrical sockets can be found in China (Type A, C, I), with the majority accepting two flat pins. Voltage is 220V. Plug sockets in Hong Kong are three flat (like UK) or round pins (Type G, D). Universal adaptors are available in most airport shops if you don't have one already. Most hotel & hostel rooms have electrical sockets where you can re-charge cameras, phones etc.

If you have US appliances (110 volts) you will need a voltage converter as well as a plug adapter.

5. What to take

As this is a Shoestring tour with plenty of travelling from place to place including on and off trains, we strongly recommend packing light. Suitcases are OK, but you will find a rucksack or holdall much much more convenient and easier to transport around. Low cost laundry is readily available hostels, and bear in mind that much of the world's clothing is made in China, so cheap replacements and extra items are readily available if required. If you are returning to Hong Kong at the end of your tour after starting there, you can leave a main bag in Hong Kong for the duration of your trip for HK\$300.

We recommend you bring:

- Sandals / Flipflops
- Comfortable walking shoes
- T-shirts
- Shorts/skirts
- Swimming costume
- Lightweight waterproof
- Towel
- Washbag
- Sunglasses, sunhat and aftersun
- Camera & charger
- Socket adapter
- Copies of your travel insurance policy, credit cards, passport and visa (also email a copy of these to yourself)
- Small first aid kit including paracetamol, disinfectant, medicine for diarrhoea
- Books and other entertainment for the night trains (bring electronic gadgets at your own risk)
- Small day pack
- If travelling in October to April, bring a hat, gloves, warm coat, jumper and warm trousers
- Your passport & credit card!

6. Booking & Payment

If you would like to book a place on this tour, please complete the online reservation form on our website (via the Dates & Prices tab on the tour page). You may make a deposit or full payment online, or just hold a reservation if you prefer (full payments are due 8 weeks before departure). We will then contact you with more details about how

to complete your booking. Payments may be made by debit or credit card (subject to a card processing fee), or by making a bank transfer, or posting us a cheque/bank draft. Full details will be provided in your booking confirmation email. Please [contact us](#) if you would like any more information or have any questions before making a booking.

7. Internet & Communication

Language: While there are nearly 300 living dialects in China, today's modern mainland China has a dominant dialect which is Mandarin. All schools teach in Mandarin, politics, business and the national media all use Mandarin and the entire middle class and above speak it fluently. There remain many people who don't speak or understand it well though, but if you're going to learn some 'Chinese', then Mandarin is the dialect to go for. You will find that Chinese people will love you if you do try and speak in their language - your efforts will definitely be rewarded. You don't need to read Mandarin to get by (which is a relief!), but learning some words and phrases is very useful. If you are struggling, then most public places (eg. stations) have an official English speaker on hand to help, and 12-18 year old school children are also a great help as they learn English at school and are invariably delighted and keen to help out. You can also check out [Pleco](#): This is a great tool - a free dictionary to help you communicate in China. You can download it from the Android Market or App Store.

Internet: Wi-Fi and computers are available for use in all hostels used on our Shoestring tours. Some websites are blocked in China, including Google, Facebook, Instagram, Twitter and YouTube. If you would like to use a VPN while in China to access the internet it is much easier to do this before you leave. Two examples of free options you can access via your device are [Betternet](#) or [ExpressVPN](#).

Phone: You can use your mobile phone in China, as long as it has been unlocked for international usage. If you want to use your phone while in China, we recommend bringing an unlocked handset and then buying a cheap prepaid SIM card from one of China's main 3 mobile phone providers (these are China Telecom, China Mobile and China Unicom). You can buy these directly from their retail outlets, but in order to do so you will need to show your passport. SIM cards can then be recharged at most convenience stores and roadside newspaper stands (for around 100 RMB). Most SIM cards can be used for 3G/4G data, texting and domestic calls. Your tour leader can help you with this.

8. Travel Insurance

Travel insurance is compulsory on all of our tours and needs to cover personal accident & liability, medical expenses and repatriation, travel delay & abandonment. We also strongly recommend that you take out cover against cancellation and lost/stolen baggage. Personal medical insurance does not normally provide sufficient cover and is generally not suitable for travel on our tours. You will not be able to join your tour if you have not provided us with details of your insurance or if you arrive without cover in place (no refunds will be due in this event). [More information...](#)

You may arrange your own insurance, or you can take advantage of a comprehensive policy that we can arrange for you through Endsleigh Insurance which has been designed to be suitable for our tours. The policy is available to travellers of all nationalities and you do not need to live in the UK to take out the policy. For full details of cover provided, prices and to apply for one of our policies, please complete [travel insurance application form](#).

Note: Any country that borders the Mediterranean is considered as 'Europe' for the purposes of travel insurance (including Turkey, Israel, Egypt and Morocco). If you are doing a tour that visits one country in 'Europe' and one that is 'Worldwide' (for example, an Egypt and Jordan tour), then you need a 'Worldwide' policy. When completing the form you should enter your travel dates including any extra days involved in overnight flights or connecting travel between your home and the tour. Our policies are not able to cover any extra time or activities other than your tour and options booked with us and your travel to & from home.

Note - to comply with insurance sales regulations, our travel insurance policies are only available to customers booking directly with us. If you have booked through a travel agent you will need to arrange your own insurance.

If your tour includes car hire, or if you plan to arrange a hot air balloon flight locally or do some scuba diving during your tour, you should check the small print in your policy to make sure these are covered (these are covered in our policy). Please also check the maximum altitude that you will be reaching and that full cover including emergency evacuation is provided up to this altitude.

If you are taking expensive camera gear or other electronic equipment with you then please check the coverage and the fine print of your policy to ensure that you have sufficient cover.

IMPORTANT: We must have your travel insurance details (policy number and type of insurance) before you depart or you may not be allowed to join the tour. If you haven't told us already, please let us know the details when you can. You should take a paper copy of your insurance policy with you as you may be asked to show this at the start of the tour.

Covid-19

Before purchasing any travel insurance, please check the coverage provided for situations related to Covid-19, and for the rules about government travel advice. Your normal policy may not be suitable. Details about our own policies cover levels are given [on our website](#).

9. Money

The Chinese currency is Renminbi, shortened to 'RMB' ('the people's coins'). RMB is also referred to as 'yuan' or 'kuai'. You can generally withdraw money in RMB from ATM machines all over China using your home debit/credit cards – just make sure you've told your bank that you'll be travelling there in advance and be prepared to pay a percentage conversion / commission fee. Alternatively, you can carry cash round with you and convert into RMB in banks in Hong Kong or mainland China. Travellers cheques also remain widely accepted.

Food in China is very cheap. We advise you to budget approximately 80 RMB per day for food in great local restaurants your tour leader will suggest which they know are safe and tasty. If you want to eat cheaper than this you can by eating more simple dishes like fried rice/noodles which come in at less than 10 RMB per meal. As an example of prices of everyday items:

- Small bottle water- 2 RMB
- Basic Chinese meal- 35 RMB
- Drink in a night club- 70 RMB
- Beer in a restaurant/hostel 10-20 RMB
- Coke/soft drink - 6 RMB
- Taxi- 10 minutes- 20 RMB (taxi prices vary depending on the city, but are very cheap compared to Europe/North America)

10. Financial Security

We are a UK registered company and are committed to providing our customers with financial protection to provide peace of mind and to allow you to book with confidence.

We have therefore partnered with Trust My Travel Ltd., which provides financial protection services to over 2000 partners around the world. Funds paid to us by our customers are protected via an Insurance policy held by Trust My Travel. Each traveller and the description of services sold is declared against Trust My Travel's insurance policy directly against our financial failure. In the event of our insolvency, you will be refunded for any unfulfilled products and/or repatriation to the UK (where applicable). Please see [our website](#) or [booking conditions](#) for more information.

11. Health and Vaccinations

You should ensure you are fully insured for medical emergencies including emergency evacuation and repatriation.

Recommended vaccinations and other health protection measures vary according to the country you are visiting and where you are travelling from. We recommend you contact your GP/medical practitioner or a travel clinic for current information on vaccinations needed for your destination. You should ensure that you are up to date with vaccines and boosters recommended for your normal life at home, including for example, vaccines required for occupational risk of exposure, lifestyle risks and underlying medical conditions.

In addition, additional courses or boosters normally recommended for the countries in this region are:

China: Hepatitis A. [Malaria map](#). Malaria risk is low throughout the year throughout the country apart from areas that border Myanmar and Vietnam which have high risk. It is not generally present in Hong Kong unless contracted abroad. Yellow Fever vaccination certificates are required for travellers over 1 year of age arriving from countries with a risk of yellow fever transmission and for all travellers having transited through the airport of a country with risk of yellow fever transmission

Hong Kong: Hepatitis A. Malaria is not generally present in Hong Kong unless contracted abroad.

Malaria: Vaccinations are not available against Malaria, which is a disease transmitted by mosquitoes that can be very serious and sometimes fatal. You should avoid mosquito bites by covering up bare skin with clothing such as long sleeves and long trousers and applying insect repellents to exposed skin. When necessary, sleep under a mosquito net. Mosquitoes are most active during and after sunset. You should consult with your GP/medical practitioner/travel clinic about the most appropriate malaria prophylactic medication to take for the regions you are visiting. In general the lowland regions Bhutan are considered malarial zones, while higher altitudes including central Bhutan including Paro, Thimphu, Punakha and Bumthang are not. Nepal is considered mainly low risk with prophylactics not normally required.

Yellow Fever: This disease is spread by infected mosquitoes that bite during the day. A Yellow Fever Certificate of vaccination may be required as a condition of entry depending on which country you are arriving from, or that you have travelled or transited through recently (including connecting flights with stopovers of over 12 hours). You can view this [US CDC information](#) about where the virus is present and follow the links to further information detailing which countries need you to have a Yellow Fever vaccination as part of their entry requirements. Please ensure you have this certificate with you and to hand if necessary. Please inform us of any pre-existing conditions such as diabetes or asthma and any prescription medicine you may be taking. We also need to know about any food allergies or physical disabilities that you may have.

12. Responsible Tourism

It is impossible not to have an impact on the local environment, cultures and eco-systems when you travel. However, it is very possible to try and ensure that these impacts are as limited, or positive as possible. We are committed to ensuring that we try to leave our host countries in a better state than we found them and encourage and assist our travellers to help us with this.

The following are a few simple tips that require very little effort on your part but which will help ensure that any effect you have on the locations you visit is positive rather than negative.

- Don't prejudge: Things in different countries will almost certainly be different. That doesn't make them worse or inferior, just different.
- Communicate: Don't expect locals to speak your language. Take the trouble to learn a few words or phrases of the local language. Don't worry about sounding silly. Most locals are patient and accommodating and appreciate you making the effort to communicate in their language.
- Conserve energy: Be careful not to waste valuable resources. Use local resources sparingly. Switch off lights, air-conditioning and fans when you leave the hotel room and don't waste water. Remove superfluous packaging. Many countries have far less efficient waste disposal systems than ours. Remove packaging from newly acquired items before leaving home.
- Don't litter: No matter how untidy or dirty the country you're travelling in may look to you, avoid littering, as

there is no need to add to the environment's stress. Many of the countries we visit have a tough challenge dealing with rubbish and waste. Please consider taking home as much plastic waste as you can (e.g. water bottles).

- Choose environmentally friendly products: By using environmentally friendly (bio degradable) sun creams, shampoos and detergents you can help reduce pollution.
- Respect local customs and traditions: As you are a guest in these countries, you should also comply with the local customs. If you are friendly and well mannered, the locals will reciprocate and it will only enhance your experience. It's important to follow dress and behaviour guidelines especially when visiting religious or sacred sites (your tour leader will advise you how best to do this).
- If a client commits an illegal act the client may be excluded from the tour and Encounters Travel shall cease to have responsibility to/for them. No refund will be given for any unused services.

All porters are employed and equipped following guidelines set by the International Porter Protection Group (IPPG).

13. Trains

Due to the huge size of China and the excellent quality of the public rail network, we use train journeys extensively on our Shoestring tours in China. Typical train times are given below, though these are subject to change:

- Guilin to Chengdu is from 12:50 – 13:30 the following day
- Xi'an to Beijing is from 19:30 – 9:00
- Beijing to Hangzhou is from 19:30 – 8:30
- Shanghai to Fujian (day train) 10:00 – 18:00
- Fujian to Guangzhou 22:00 – 7:00

You will have your own sleeper seat on each overnight train journey (full flat bed). We try to ensure that all our travellers are booked in the same compartement so you can have fun getting to know each other better, play some games, and share a few drinks. If you or a fellow traveller have a seat that is not with the rest of the group, the tour leaders have a process in place to try to switch seats. In some stations they will be able to board the train and arrange a seat swap with another passenger. In other cases you can make use of the emergency phone that we provide to accompany every group, and the tour leader will then use this to speak in Mandarin to the conductor or directly to another passenger to help arrange a seat swap. This normally works very smoothly and without incident.

Upgrades to a four-berth soft sleeper are also available (you must book this with us at least 1 month before departure). Please contact us for details and prices if required.

14. Airport transfers

Airport transfers are not included in the price of the tour. However, they are available on request if required. Prices are given per vehicle (up to 4 people), and if you would like a bilingual guide to meet you and travel with you from the airport to your destination (or vice-versa) this can also be arranged for an extra fee (generally GBP 20 / US\$25) each way. This airport transfer service is available from and to the following airport locations: Guilin, Chengdu, Xian, Beijing, and Shanghai.

16. Tipping

Tipping in China is not customary and is not necessary. Of course, voluntary tipping is completely up to you, but in places like restaurants, bars or taxis it is extremely rare.

17. Before you travel

It is important when considering and preparing to travel anywhere in the world that you have a good understanding of the country you are visiting, its laws and customs, and the possible risks and situations that may occur. This includes specific risks related to your itinerary (eg. does it involve water & can you swim, are you fit enough for the activities included), as well as more general risks such as terrorism and natural disasters.

General details and links to more information about health risks, visa requirements, money, and travel insurance are given in these tour notes. We recommend that you re-read all these before your departure as well as the small print of your travel insurance policy so you know exactly what is covered and what is not.

You should take copies of your important travel documents with you and ideally also store them online securely as a backup. Make sure that you have given us your emergency contact details and told that person where and when you are travelling. Ensure you take enough money with you and that you have access to emergency funds.

Finally, you should read through and stay updated with the current [official government travel advice](#) for your destination. We are registered partners with the UK Foreign Office's ['Travel Aware' campaign](#) which provides further useful and invaluable information.
