Notes

Gulet cruises and itineraries are subject to alterations while en-route or before departure. These are subject to the final decision of the boat captain and out of our control and may be made at short notice due to weather conditions, the number of other boats in certain bays or other practical reasons. The same overall experience will be maintained.

Options

Our tours are designed to include all that you need to enjoy a really special time in the destination you're visiting. However, we do also offer some extra options to complement the tour and add some additional sightseeing or activities, or some extra time at either end of the tour.

All accommodation based options (e.g. Single supplements, extra nights, cruise upgrades) should be booked and paid for in advance so that we can make the appropriate arrangements. Other options may either be booked and paid for in advance or while you are on the tour, though we recommend booking in advance to ensure there are no issues with availability.

Many options are priced the same throughout the year, but some may incur single or high season supplements - full details are given on the tour reservation form or on request.

Single cabin supplement (TUSGFO)

Min numbers: 1

Due to the style and nature of this cruise and the bedding arrangements in the cabins, we do not arrange room shares between people not travelling together. This option therefore provides a single cabin on board the gulet for the duration of the cruise and should be added by all solo travellers.

Note: Single supplement prices may vary seasonally.

1. Turkish Gulets

Spending a few days on a traditional Turkish gulet (a handmade, motorised wooden yacht) is one of the highlights of exploring Turkey. You can enjoy plenty of swimming and snorkelling and explore loads of natural and historical sites along the way. As you cruise you can sunbathe on the deck, or read a book or play games on the cushioned seating in the shadow of the aft deck.

Most of the gulets we use feature an interior salon/bar area, both indoor and outdoor eating areas, and a fully equipped galley. The most common gulets have 4 to 10 double cabins, which can accommodate 8 to 20 people. All cabins have ensuite toilet & shower facilities. Single or twin bedded cabins are not generally available unless we have an odd number of people travelling so be prepared for a same-sex room share if you are travelling alone. This being said, most people choose to sleep under the beautiful Mediterranean sky on mattresses on the deck, and only use their cabins as a wardrobe.

The gulets we use are motorised pleasure craft with sails, and while they can manoeuvre under sail, the majority of the time the motor will be used. This is particularly the case during July and August when winds are very low. Strong winds also cause them to bank steeply and so time actually under sail is generally very limited. These are not sailing vessels where you are expected to help with the rigging or take part in sailing as an activity.

The gulets come with facilities for both outdoor and indoor dining. There are freezers to keep drinks cold, a CD/cassette player (so bring your music!), snorkels and masks, fishing lines and some board games.

You will need to bring your own beach towel, soap, shampoo and other personal items with you. Charging points are available for your electronic devices on deck and in some cabins (you will need to bring an adapter).

Health & Safety:

A dinghy with outboard, a ship-to-shore radio, mobile telephone and life jackets are also provided. Lifejackets are stored under your bed inside the cabin.

Please keep away from ropes and hawsers while sailing. Do not jump into the sea while the engine is running. In case of fire please check the position of your nearest life jacket and fire extinguisher - alert everybody on board and put on your life jacket immediately.

All the gulets we use are government approved with fully qualified captains.

Accessibility:

The boats we use are not suitable for passengers with special mobility needs. Embarkation gangways do not fit all types of wheelchairs and cabin bathrooms and staircases have restricted space and are generally unsuitable for people with limited mobility.

If you have other physical disabilities please contact us with any queries. It is expected that any passengers requiring special attention, assistance or treatment will be travelling with an escort.

2. Group Size/Tour Leaders/Guides

We are committed to being a small group operator, as we feel this gives everyone in the group the best chance to get to know their fellow travellers and to make the most of their trip. So, we have selected Gulet boats which will allow us to have plenty of space but restrict the group size to a maximum of 16 people.

On Gulet cruises, you will be looked after by the boat captain and their crew. The captain and most crew will speak some English - enough to communicate effectively, if not fluent. We do not send an additional tour guide on our gulet cruises.

3. Dates & Prices

We run regular small-group departure on this tour between April and October starting on a Saturday. All departures are guaranteed to run with a minimum of two people. Departure dates and prices are listed on our

website and on a separate dates & prices sheet available on request.
