Our Nubian Adventure begins with a visit to the renowned Egyptian Museum in the heart of Cairo's Tahrir Square. Immerse yourself in the wonders of ancient Egypt as you explore the Tutankhamun exhibit and countless other fascinating artifacts. Our expert Egyptologist guide will accompany you throughout your visit, sharing their wealth of knowledge and passion for Egyptian history and culture.

Next, prepare to be awestruck by the iconic pyramids of Giza. Marvel at the Great Pyramid of Khufu (Cheops), a monumental structure standing tall at 500 feet and spanning 750 feet at its base. Constructed with massive stone blocks and adorned with a hard limestone casing, this architectural masterpiece will leave you speachless. It's a true feast for the senses and a perfect representation of Egypt's rich culinary heritage.

Day 3: Arrive in Aswan and visit Philae Temple. Nubian Village experience

The Nubian people have inhabited this region for millennia, their culture intertwined with the Nile. We'll be spending the night immersed in this vibrant culture, staying in a Nubian style hotel within a Nubian village. Get ready to be charmed by the brightly painted houses, adorned with symbolic patterns and vibrant colours, and explore the bustling local markets where you can find handcrafted souvenirs and spices.

Before heading to the Nubian villages, we'll embark on a boat trip to the breathtaking Philae Temple. We'll have time to explore its towering pylons, hypostyle halls, and intricate reliefs, immersing ourselves in the mythology and grandeur of ancient Egyptian religion.

Day 6: Visits to Valley of the Kings, Temple of Hatchepsut, Workers Village, Colossi of Memnon. Afternoon visit Karnak Temple

DAY 6:

This morning, we embark on a journey to the West Bank of Luxor, a realm steeped in ancient history and shrouded in the mystique of pharaohs and their eternal resting places. Our exploration begins with a visit to the Valley of the Kings, a vast necropolis where generations of pharaohs were laid to rest in elaborately decorated tombs. We'll venture into several of these tombs, marvelling at the vibrant hieroglyphs and intricate paintings that adorn their walls. These ancient chambers continue to reveal their secrets to archaeologists, making the Valley of the Kings one of the most significant archaeological sites in the world.

Our West Bank adventure continues with a visit to Deir el-Medina, a fascinating village that was once home to the skilled artisans who constructed and decorated the royal tombs. We'll explore the remains of this ancient community, gaining insights into the lives of the workers and their families.

Next, we'll be captivated by the Temple of Queen Hatshepsut, a unique mortuary temple built into the cliffs. Its elegant colonnades and terraces offer stunning views of the surrounding landscape. Notes

Hotel Gala Dinners

Many of Egypt's hotels and Nile cruise boats arrange a very special gala dinner with entertainment in the evening on Christmas Eve and New Year's Eve. Payment for these is often optional on Christmas Eve (24 Dec) but normally compulsory on New Year's Eve (31 Dec), whether you attend or not. Prices can range from around US\$50 to over US\$180 per person in 5-star hotels. Final decisions on prices and whether dinners are compulsory are made relatively close to the time. We aim to always select hotels that make their Gala Dinners optional, though this is not always possible, especially for New Year's Eve. Gala dinner prices are therefore not included in our prices above, but will be added to your booking if they become required. Please budget accordingly. More information is available on request.

Options

Our tours are designed to include all that you need to enjoy a really special time in the destination you're visiting. However, we do also offer some extra options to complement the tour and add some additional sightseeing or activities, or some extra time at either end of the tour.

All accommodation based options (e.g. Single supplements, extra nights, cruise upgrades) should be booked and paid for in advance so that we can make the appropriate arrangements. Other options may either be booked and paid for in advance or while you are on the tour, though we recommend booking in advance to ensure there are no issues with availability.

Many options are priced the same throughout the year, but some may incur single or high season supplements - full details are given on the tour reservation form or on request.

Hot air balloon in Luxor

Min numbers: 1

This popular optional tour starts early in the morning so that you experience the sunrise over the Valleys of the Kings & Queens, temples and desert. We endeavour to use the earliest flights of the day as they are timed to fit with the rising sun, this means that times may vary. You get around 1 hour in the air.

The price of this option is approximately \$170.00. Please note that this option is only available to be booked locally, via your tour guide who will also advise you of the current price.

Cairo city tour

Min numbers: 1

This half day guided tour of Cairo tour begins with Islamic areas including the Citadel of Saladdin, boasting the famous Alabaster Mosque of Mohammed Ali. Then we head onto the Coptic area of Cairo where the Romans constructed the fortress of Babylon. The church of St. Mary was built over the ruins of two towers of the fortress whilst it is more commonly known as the Hanging Church next stop is St. Sergius which is said to be the resting place of the Holy Family. The tour finishes at the Khan-el-Khalili bazaar. The entrance fees budget covers the Coptic Museum, the Citadel and the Sultan Hassan Mosque. Depending on your day, you may not have time to visit all of these.

Entrance fees to sites visited are not included (budget approx. USD 10)

Prices shown are based on a minimum of 2 people travelling. Solo traveller supplements apply.

Wadi Rayan day trip (Valley of the Whales)

Min numbers: 1

This tour provides a great contrast to the Pharaonic sites you have visited on the rest of your tour. We leave Cairo and head to the Fayoum region where we head for the Wadi Rayan Protected Area, which surrounds a fresh-water lake in the middle of the desert, filled by the remaining irrigation water from the Fayoum area. There are several waterfalls here (popular in Egyptian pop music videos), and a bird hide which gives good views of the lakes birdlife, particularly in the winter months when the lake is an important stop for migrating water-birds. We also visit the Springs Oasis area, a rare example of an uninhabited Saharan oasis, and host to many different plants and animals, including Dorcas Gazelle, Ruppell's Sand Fox and Fennec Fox. Before lunch, we'll make a stop in the sand dunes surrounding Wadi Rayan to have a go at Sandboarding. After a stop for a packed lunch, we then drive into the stunning desert & mountain scenery of Wadi Hitan (Valley of the Whales). This World Heritage Site is accepted as the most significant site in the world to demonstrate the evolution of whales, and we take a 2-3km walk here to see several specimens of fossilised whales of different types sitting on the surface of the sand, as well as fossilised mangroves and the remains of crab holes.

This tour requires a full free day in Cairo, but can also be arranged straight after you arrive back in Cairo from Luxor/Aswan from the overnight sleeper train. We can also arrange it on any tour if you add extra days before and after your main tour. Prices shown are based on 2 or more people travelling, with an additional supplement due for solo travellers.

Price includes lunch whilst in Wadi Hitan and entrance fees.

Abu Simbel overland

Min numbers: 2

The temples built by Ramses II at Abu Simbel are one of Egypt's highlights, and have a fascinating story behind them to go with their impressive size. When Lake Nasser was flooded, the final water level was going to submerge several temples, the most important of which being Abu Simbel. The temple was therefore dismantled completely and rebuilt further up the hillside where it sits today. The temple stands today as a testament to Ramses II and the great building prowess of the ancient Egyptians, as well as to modern engineering. We depart Aswan very early in the morning (around 4am), with the aim of getting to Abu Simbel to see the temples in the light of the rising sun. We then have a guided tour with one of our Egyptologists and some free time before we drive back to Aswan (approx. 3 1/2 hours drive each way, with around 2 hours at the temples). The tour itinerary is designed so you will not miss any other activities if you choose this option.

Note - we choose the overland route to get to Abu Simbel as the flight times there are unreliable and the journey using the flight is much more segmented (you get more rest on the coach), not to mention it is much more expensive to fly.

Entrance fees to the site (approx. US\$10, 50% for children) are not included in the option price and should be paid locally. A minimum of 2 people is required to operate this option.

Single room supplement (EGSGNB)

Min numbers: 1

The tour price is based on 2 people sharing twin/double rooms. This option books a single room in all the accommodation throughout the tour. If you are a single traveller and would be happy to share a room, let us know and we will see if we can pair you up with another single traveller of the same sex. If a room share is not available when you book then we will add the single room supplement to your booking and it will be payable with your balance payment unless we have arranged a room share for you by then. If a room share is arranged after you have paid the supplement then we will refund it to you. Room shares are arranged in order of booking.

Note: Single supplement prices may vary seasonally.

Extra day in Cairo (5-star) - pre-tour

Min numbers: 1

This option adds an extra day to the start of your tour, staying in the same hotel as the main tour itself (subject to availability). Your airport arrival transfer is still included. Prices shown are per person and based on two people sharing.

1. Felucca Sailboat

This tour features an overnight felucca cruise. Feluccas are very basic traditional Nile sailboats and are a fun and relaxing way to travel down the river. You sleep on the deck of the boat (mattresses and some blankets are provided, but we suggest that you bring a sleeping sheet, blanket or light sleeping bag during the winter months of November-February). There are no toilet facilities on board, but you will be joined several times each day and at night by our support boat where a toilet and warm showers will be available. Mosquito nets are provided for use while you are sleeping but you should bring mosquito repellent for the evenings and early mornings. Your Nubian boat crew will cook all your meals while on board and entertain you in the evenings.

2. Transport

Our trips feature a mix of different transport options. We want you to feel like you're really experiencing the country you're travelling through, but at the same time we want you to finish journeys refreshed enough to enjoy the next stage of the tour. In Egypt we do not use any public tourist buses or overnight coach journeys as we know that people don't sleep on board and end up very tired for the following few days. All the vehicles we use are air-conditioned, many are fitted with speed limiters, and all are inspected and checked daily. Some 4WD vehicles used on desert safaris may not always have air conditioning where they are only used for short periods.

For the overnight train journey from Cairo to Aswan (approx. 12 hrs) this tour uses the overnight sleeper train. This train has private twin berth cabins with large seats and fold-down beds with sheets, pillow & blanket. The lockable cabins also have a washbasin and storage cupboard, and an airline tray-style evening meal and breakfast is included. If you wish you may upgrade this journey to internal flights. You can also upgrade the Hurghada-Cairo drive to a flight if you wish - the normal drive takes around 7 hours.

3. Dates & Prices

We run regular small-group departures on this tour starting on Saturdays throughout the year. All departures are guaranteed to run with a minimum of 2 travellers and a maximum of 18. Departure dates and prices are listed on our website and on a separate dates & prices sheet available on request.
