## 1. Gulets in Greece

Spending a few days on a traditional gulet (a handmade, motorised wooden yacht) is one of the highlights of exploring the Greek Islands. You can enjoy plenty of swimming and snorkelling and explore loads of natural and historical sites along the way. As you cruise you can sunbathe on the deck, or read a book or play games on the cushioned seating in the shadow of the aft deck.

Most of the gulets we use feature an interior salon/bar area, both indoor and outdoor eating areas, and a fully equipped galley. The gulets we use in Greece generally carry up to 25 passengers, in 9 cabins (on our Mykonos Gulet, we use a larger vessel carrying up to 46 passengers). All cabins have ensuite toilet & shower facilities. Please note that the shower in Standard cabins is in the form of a wet room, whereas the Premium Cabins have a separate shower cubicle. Single or twin bedded cabins are not generally available unless we have an odd number of people travelling so be prepared for a same-sex room share if you are travelling alone. This being said, many people choose to sleep under the beautiful Mediterranean sky on mattresses on the deck, and only use their cabins as a wardrobe.

**Premium Cabins:** Where premium cabins are offered, these are the same as standard level cabins, the difference relates to the bathroom facilities, where standard cabins have a wet-room and premium cabins have a separate shower cubicle.

The gulets we use are motorised pleasure craft with sails, and while they can manoeuvre under sail, the majority of the time the motor will be used. This is particularly the case during July and August when winds are very low. Strong winds also cause them to bank steeply and so time actually under sail is generally very limited. These are not sailing vessels where you are expected to help with the rigging or take part in sailing as an activity.

The gulets come with facilities for both outdoor and indoor dining. There are freezers to keep drinks cold, a CD/cassette player (so bring your music!), snorkels and masks, fishing lines and some board games.

You will need to bring your own beach towel and other personal items with you. Charging points are available for your electronic devices in your cabin (you will need to bring an adapter).

### **Health & Safety:**

A dinghy with outboard, a ship-to-shore radio, mobile telephone and life jackets are also provided.

Please keep away from ropes and hawsers while sailing. Do not jump into the sea while the engine is running. In case of fire please check the position of your nearest life jacket and fire extinguisher - alert everybody on board and put on your life jacket immediately.

All the gulets we use are government approved with fully qualified captains.

### **Accessibility:**

The boats we use are not suitable for passengers with special mobility needs. Embarkation gangways do not fit all types of wheelchairs and cabin bathrooms and staircases have restricted space and are generally unsuitable for people with limited mobility.

If you have other physical disabilities please contact us with any queries. It is expected that any passengers requiring special attention, assistance or treatment will be travelling with an escort.

## 2. Group Size/Tour Leaders/Guides

We are committed to being a small group operator, as we feel this gives everyone in the group the best chance to get to know their fellow travellers and to make the most of their trip. So, we have selected Gulet boats which will allow us to have plenty of space but restrict the group size to a maximum of 25 people, accommodated in 9 cabins.

On Gulet cruises, you will be looked after by the boat captain and their crew. The captain and most crew will speak some English - enough to communicate effectively, if not fluent. We do not send an additional tour guide on our gulet cruises.

---

## 3. Dates & Prices

We run regular small-group departures on this trip between May and October, generally starting on a Saturday. All departures are guaranteed to run with a minimum of two people. Departure dates and prices are listed on our website and on a separate dates & prices sheet available on request.
