We head to Agra this morning, home of the famous Taj Mahal. After arriving in Agra we'll make a stop for lunch at the Sheroes Hangout Cafe The cafe was set up by the Chhanv Foundation and is run by victirms of acid attacks. The cafe works to raise awareness of acid attacks in India and to empower those who have sadly been the victims of these heinous crimes. Prior to gaining employment in the cafe, many of the 'Sheroes' led solitary lives, rarely going outside due to shame associated with their scars. At Encounters Travel we're proud to support such an organisation, which has the sole aim of helping these women find acceptance, a supportive community and a means of income. Lunch will be included whilst at the cafe.

Once you've checked in into your hotel, we'll spend the afternoon on a Mughal Heritage Walk through the ancient village of Kachhpura and surrounding farmland on the banks of the Yamuna River across from the Taj Mahal and Red Fort. This walk has been designed by a local NGO and helps support the local community through employment and new infrastructure. During the walk one of the villagers will give a guide to their village life, the layout of their homes, with living, cooking & religious areas, the farming done, and the local cottage industry for leather shoe making which helps Agra export shoes all over the world. You'll also see some lesser known but important Mughal era monuments. Finally today we'll stroll around the park at Mehtab Bagh - originally built by Emperor Babur as the last in a series of 11 parks on the Yamuna River's east bank, before taking in the magnificent sight of the Taj Mahal at sunset.

1. Accommodation

We use good quality hotels rated at the Indian 3-star level on this tour as well as some carefully selected heritage properties. These heritage hotels are often converted from former palaces or merchant houses and are full of historical character, though they may feel a little dated. They are often a highlight of your stay. The specific hotels listed on our website are our preferred hotels for our small-group tours. However, these may be changed from time to time based on current availability and other logistics. In this event alternative hotels of a similar standard will be used. If you would like to guarantee any particular hotels for your trip, please contact us to request a tailor-made tour.

Accommodation is based on twin or double en-suite rooms with air conditioning. All couples will receive a private double room.

Please check the Single Room Supplement option for details on room sharing options and charges for solo travellers on this tour.

2. Transport

Our trips feature a mix of different transport options. We want you to feel like you're really experiencing the country you're travelling through, but at the same time finish journeys refreshed enough to enjoy the next stage of the tour. Due to the somewhat chaotic nature of Indian roads, we only use private vehicles for all road journeys on this tour.

The tour also features a journey on India's famous railway network. The journeys from Delhi to Varanasi (and return) takes around 8 hours and we book AC chair seats. You will be shown to your seat in the departure station and met on the platform on arrival. Delays of up to an hour are quite common, especially during the winter season if the weather is foggy. Tickets are issued 120 days before departure. If you book within that time we cannot guarantee that you will be seated with other travellers, though the train stewards are normally very helpful and will arrange seat swaps with other people on the train, who are normally very accommodating.

3. Transfers

The tour price includes a 24-hour airport meet & assist service in New Delhi airport, your arrival and departure airport-hotel transfers and all other transfers.

4. Group Size/Tour Leaders/Guides

We are committed to being a small group operator, as we feel this gives everyone in the group the best chance to get to know their fellow travellers and to hear and make the most of their guide. There's no point in us providing great guides if you've got to peer over 30-40 shoulders to see them! So, we won't ever put you in a 50-seater coach with 49 other people and just one guide. Instead, we set our India small-group departures to have a maximum of 12 travellers. The minimum group size is 2.

In India we provide a fully trained, local English-speaking tour leader/driver to accompany our groups. On this tour they will accompany you throughout the whole loop from Delhi/Agra/Jaipur/Delhi with a separate escort in Varanasi. On groups of 4 or more, a guide will accompany you for the duration of the tour, for groups of 2 to 3, you will have a driver and local guides in each city.

At Encounters Travel we have a policy of aiming to use only local Indian guides and reps. We feel this gives you the best experience of the country and the sites you are seeing.

5. Entrance Fees

The tour price does not include entrance fees to the tourist sites mentioned in the itinerary. This allows for fluctuations in the prices set by the local authorities, which do change from time to time.

You should currently allow approx. US\$105 per person to cover these entrance fees (this includes one visit to the Taj Mahal). You will also need to cover the cost of entrance to any other extra sites that you may wish to visit that are not listed in the main tour itinerary. Your guide will offer to collect the entrance fee cost from everyone at the start of the tour and pay on your behalf, or you can arrange them yourself as you go along.

6. Dates & Prices

We run small-group departures on our Indian tours throughout the year, with less frequent start dates during the hot and wet monsoon months of May to September. All departures are guaranteed to run with a minimum of 2 travellers. Departure dates and prices are listed on our website (please check the website for up-to-date prices and special offers).

Private and tailor-made tours are available on any dates and may be adjusted to fit your personal requirements, available time and budget.
